

CONFUSION IN SEBASTOPOLIS WRANGLER FLEES

Anti-Red Troops Fight Desperately To Check Bolshevik Attacks.

U. S. SHIPS CARRY WOUNDED

Soviet Troops, Inspired by Crimean Victory, Fight Hard in Ukraine.

By United Press Leased Wire
Constantinople. — General Wrangel and 30,000 troops are reported to have fled from Sebastopol.

The baron was one of the last to leave Sebastopol when soviet troops approached its outer defenses.

The evacuation of Sebastopol by the civilian population was marked by complete demoralization. Quays were piled high with personal belongings which had to be discarded when refugees boarded ships. Only one third of those desiring transportation could be carried away by the shipping available.

Other Crimean ports already in the hands of the bolsheviks suffered like congestion.

In Constantinople many rescue ships rode at anchor unable to land refugees because of lack of accommodations in the city.

The last hours of Wrangel's occupation of Sebastopol were filled with confusion.

Wrangel's headquarters were removed to the quay where he directed the final attempts at defense.

Hear Battle Sounds

The sounds of battle were heard distinctly and the civilian population was in an uproar. Wounded straggled back from the front seeking aid and demanding transportation to safety.

The city assumed more of a beleaguered aspect when fires broke out and dense smoke floated over the spires and towers and obscured the masts of vessels in the harbor.

Among supplies were stores of the American Red Cross. Commercial warehouses were threatened but most of the stores were saved.

The harbor was jammed with war and other craft, hastening in for human cargo to be transported to Black Sea islands or to the Turkish coast.

French and American warships joined in the work of the Americans operating chiefly from Yalta, on the eastern shore of the peninsula.

In Theodosia and Yalta conditions were much the same as in Sebastopol. Red troops were in full possession of those two cities.

Portions of the Wrangel army remained in the outer defenses of Sebastopol, endeavoring to hold back the invaders until evacuation of the city should be complete.

U. S. Boats Help Wounded

London.—Three American destroyers arrived at Constantinople today with Sebastopol refugees according to an Exchange Telegraph dispatch.

The destroyers brought many wounded men, women and children.

A thousand more are expected on the United States steamer Faraday.

The refugees reported the military evacuation of Sebastopol had been completed before the Red troops arrived.

Fight in Ukraine

Moscow.—Fired by the Crimean victory soviet troops have attacked Ukrainian forces with great success.

Near Mordov government troops engaged superior forces and occupied Kalinkovitchy, capturing many prisoners and quantities of booty.

Three Petliura divisions were defeated when after an energetic advance soviet forces occupied a series of points, sixteen miles northeast of Derazhyna and ten miles east of Novosilka.

AGED WOMAN IS KILLED

BY STREET CAR AT NEENAH

Mrs. Mary Clapp, 55 years old, was instantly killed when she attempted to cross the tracks ahead of an Oshkosh-Neenah interurban car at her home, just outside the city limits of Neenah, about 11 o'clock Tuesday morning. The body was badly cut.

Mrs. Clapp, it was said, had gone to the family mail box across the tracks from her home, and was returning when the accident occurred. She apparently saw the car coming but tried to get across the tracks first. She was squarely in front of the speeding car when it struck her.

The aged woman was living with her foster son, W. E. Foster.

DISCOVERY OF SKELETONS LEADS TO MYSTERY TALK

By United Press Leased Wire
Syracuse, N. Y.—Discovery of the skeletons of nine men, buried a few inches under the earth in a cellar at Baldwinsville, near here, led to "murder mystery" talk today.

Town authorities, however, said they believed the skeletons were those of victims of a plague which occurred in 1897.

In digging for the cellar, it was believed the bottom of the graves was not quite reached, so the bones lay there for many years just a few inches beneath the cellar floor. A further investigation, however, is being conducted.

RICHARDSON IS HEAD OF CHICAGO DRY FORCES

By United Press Leased Wire
Washington.—Frank D. Richardson, internal revenue agent on special duty at Chicago, today was to take charge of supervising federal prohibition agents, of the central states with Chicago as his headquarters.

Richardson's appointment to succeed Major A. V. Delmyre, resigned, was announced by Internal Revenue Commissioner Williams.

Arrest "Booze Runner" Who Posed As Federal Officer

Another alleged "booze runner" who was said to have been posing as a federal official was apprehended here Monday evening. He is J. P. Schultz, West Bend, who is said to have been supplying whiskey to Fox River valley cities for some months. The arrest was made by two federal officials, assisted by Chief of Police George T. Prim and Officer Albert Delfgen.

Schultz had been watched for some time, and word of his presence in Menasha led the federal officials there to arrest him. He left Menasha in his automobile and headed for Appleton, pursued by the officials. He stopped for a few moments on Oneida street near Lawrence, where he was promptly arrested by the government men and the police, who had been awaiting his arrival.

The automobile was searched and the officers found a grip containing one pint bottle partly filled with whiskey, two empty whiskey bottles and a whiskey tester. The federal officers also found a whiskey odor to convince the officers that the car had carried good supplies of booze.

Schultz had evidently tried to conceal his identity in case of possible capture by carrying alleged fraudulent license plates. Chief Prim had received notice to apprehend automobile with license No. 85,140. This was found to be issued for an Overland car, but Schultz was driving an Oakland with these numbers.

To substantiate his claims that he was a revenue officer, Schultz had two police stars pinned on his vest, which he is said to have shown at different times to make his patrons believe he was doing a legitimate business. He is not wearing the stars now, but spent the night in jail.

The federal officials will offer as evidence against Schultz several affidavits of Menasha men to the effect that he stated himself to be a federal officer. He is also said to have other evidence which will probably be offered the grand jury at Milwaukee.

Schultz was taken before A. H. Kellogg, United States court commissioner Tuesday morning and waived examination. He was released under bail of \$1,000 which he furnished. He will be taken to Milwaukee, where his case will be placed before a federal grand jury.

The government officials who captured Schultz confiscated the Oakland sedan in which he was riding, and in which the whiskey was found, and took it to Milwaukee today.

A warrant was issued by F. V. Heilmann, district attorney, charging Schultz with operating an automobile without a license. He was to have appeared in court Monday morning, but the court had adjourned. He will appear at two o'clock in the afternoon for this offense.

HONEST OFFICERS 'FIRED' BY BOARD

U. S. Shipping Board Investigator Tells How Public Money Was Spent.

By United Press Leased Wire
New York.—William R. Morton, former investigating agent for the United States shipping board, occupied the stand during most of today's hearing by the Walsh congressional committee.

His testimony was along the following lines:

Ships were equipped with a new electric steering apparatus which resulted in their being declared menaces to navigation.

Vessels, constructed of unseasoned wood and without sufficient framework lost their shape because of warping.

Shipping board inspectors who refused to pass poor work on repair jobs were intimidated by agents of the repair companies or expelled by officials of the board.

In ships were sold to private concerns which made enough through their operation to cover the purchase price before the initial payment was made.

Lloyds agency inspected and passed unseaworthy ships built for the shipping board in private yards at Seattle.

Morton told the committee that after being with the shipping board two years he resigned and obtained employment with a New York shipping concern because so many of his investigations were stopped as he was in the midst of them.

"GOT TO PET 'EM." SAGE JUDGE SAYS OF WOMEN

By United Press Leased Wire
Chicago.—A woman, stroked the right way, will purr like a cat, but stroke her the wrong way and she becomes a potential tiger, according to Judge Harry A. Lewis, hearing divorce cases here.

"Women, he said, are like kittens. 'You've got to pet 'em to keep 'em happy,' he said.

"Many a home has been broken up because a man has been too lazy to pet his wife.

"It is just as easy to kill your wife with neglect as with a razor and there are better ways of showing your wife you love her than by sending her a dozen roses."

Lewis announced he was through "breeding up homes." He has established a "reconciliation room" in connection with his court and where there is a chance of bringing an estranged pair together. He sends them into this room to "make up."

JUDGE SCOLDS MINISTER FOR NOT CHANGING JOBS

By United Press Leased Wire
Cleveland, Ohio.—In refusing Rev. Benjamin A. Sherwin a divorce from his wife, Lulu Sherwin, Judge Phillips today criticized the minister for not quitting the ministry for more lucrative labor.

Mrs. Sherwin filed a cross-petition charging her husband with cruelty for trying to support a large family on \$83 a month. They have five children.

"It is extreme cruelty for you to remain in a position as minister at \$83 a month," Phillips said.

"You can't support your family on it."

PLAY LAST GAMES IN SCHOOL SOCCER LEAGUE

The last games of the schedule of the Grade School Soccer football league will be played Tuesday afternoon. The Columbus-Franklin school will play the Fourth ward at the First ward grounds, and the Fifth ward will play the Third ward at the Franklin grounds.

The games were scheduled for Tuesday, Nov. 9, but on account of the weather, they were postponed.

Captain Of Grounded Boat Risks Life To Save His Crew

By United Press Leased Wire
Sault Ste. Marie, Mich.—How a captain set out in a small boat in the face of a raging lake storm in an effort to attract aid for his ship and crew fast aground on Pancake shoals, one of the most dangerous points on the Great Lakes was being told here today by rescued members of the steel freighter Francis J. Widlar.

Twenty two of the thirty three members of the crew were landed here last night but the tug Iowa which set out from the Soo and the remainder of the crew is being brought to port by the steamer Alansworth which stood by the Iowa.

The Widlar grounded on the shoals on the Canadian side of Lake Superior on Friday night.

The crew gathered in the forward cabin and were without food until late Saturday, the waves which broke over the vessel making it impossible to go astern for supplies.

Alexander Stevens of Ashtabula, Ohio, steward, ventured out late Saturday, and after narrowly escaping being washed overboard, returned with food and cooked it on an improvised stove, using furniture as fuel.

Captain Arthur Forbes of Ashtabula, Ohio, with five of his best crewmen, set out Sunday in search of aid while the seas were still running high. He was picked up by the steamer Livingston and word of the plight of the balance of the Widlar's crew sent out. Later he boarded the tug Alansworth, which aided in the rescue of the men.

According to word from Cleveland, Ohio, home port of the Widlar, efforts will be made to salvage the Widlar, which is said to be pounding to pieces on the shoals.

Another Boat Overdue
Houghton, Mich.—Fear is being expressed here today for the safety of the steamer Charles N. Bradley, on Lake Superior, which is overdue, according to a dispatch reaching local mariners.

Of all the steamers overdue since the storm of Friday, the Bradley is the only one not accounted for.

GREEKS WANT CONSTANTINE TO RULE THEM

Premier Venizelos and Cabinet Resign When Defeated in Election.

ALLIES MAY TAKE HAND

Control of Grecian National Bank May Nullify Results of Plebiscite.

By United Press Leased Wire
Athens.—King Constantine, dethroned by the allies, may return to power as a result of the national elections in which Premier Venizelos appears to have been defeated.

Returns were incomplete today but the cabinet issued a statement declaring first claims on victory appeared to be premature.

Two policemen were killed yesterday in rioting between two factions. Constantine supporters opened fire on Venizelos demonstrators.

The officers were killed at the first fusillade. The fire was returned. A number of arrests were made. The Venizelos government, it was announced, will make no further effort to combat the election result but will turn the national machinery over to the opposition as soon as returns are complete.

King Constantine was forced from the Greek throne during the war, the allies charging Queen Sophie, sister of the German Emperor had great influence over him. Premier Venizelos became the actual head of the government although the king's second son, Alexander, was named king.

Following Alexander's death recently, an attempt was made to put the third son, Paul, on the throne. He refused insisting on a plebiscite to determine whether the country wanted him or desired the return of King Constantine.

VENIZELIS RESIGNS

By United Press Leased Wire
Paris.—The Greek government has resigned according to dispatch received here today from Athens.

Premier Venizelos and his cabinet resigned as a result of the national elections in which they were defeated. The recent commander M. Rallis to form a new cabinet but he refused to undertake the task.

The bourse closed today.

ALLIES TO TAKE HAND

Washington.—Great Britain and France may exert their influences to counteract results of the Greek elections through their control over the national bank of Greece, it was learned today at the state department.

The elections have gone against Premier Venizelos and for the deposed King Constantine.

It was assumed here despite the elections the two powers will continue to oppose return of Constantine.

The national bank of Greece is the bank of issue of the country. Control is maintained by Great Britain and France through a joint commission.

State department officials today refused to comment on the attitude of this country toward Venizelos' defeat.

WILSON GETS PRIZE TURK FOR THANKSGIVING DINNER

By United Press Leased Wire
Cuero, Texas.—President Wilson will eat Cuero turkey for his Thanksgiving Day dinner.

A big bronze turkey, the most gorgeous of the Cuero turkey trot, the annual show of king turkey before his head is cut off, has been sent to the president at Washington. The bird's coop was modeled after the White House.

The largest turkey of the 7,500 which paraded down Main street at the trot, was chosen for President Wilson.

President-elect Harding has already eaten his Cuero turkey, according to reports from Point Isabel. The turkey was too large to be carried to New Orleans and Panama for a Thanksgiving dinner, it was said.

TRUCK DRIVER HURT WHEN HIT BY TRAIN

Stephen McCarthy is in Hospital Suffering With Injuries on Head.

Stephen McCarthy, son of Mr. and Mrs. Timothy McCarthy, Grand Chute was quite seriously injured when he was struck by a south bound passenger train at the railroad crossing near the county asylum shortly after ten o'clock Tuesday morning. He was taken to St. Elizabeth hospital where it is said his injuries are not considered dangerous. He suffered severe bruises about the head and body. An X-ray picture is to be taken of the head this afternoon to determine if the skull has been fractured.

According to reports made at Appleton Junction, Mr. McCarthy was driving a milk truck. He stopped as he approached the tracks, then started up again. His truck was about in the middle of the track when the train struck him. The auto was completely demolished and its driver was thrown several feet. Members of the train crew picked him up and took him to the junction from where he was conveyed to the hospital.

HOLDS COP AT BAY FOR 3 HOURS—THEN IS CAUGHT

Corning, N. Y.—Entering a house here today to arrest Vernon Gore, Police Chief Charles Hammer was "covered by the bandit."

Then for three hours the chief and the bandit played a game of wits.

When three hours had passed and Gore was still awaiting a favorable opportunity to escape his vigilance, he was picked up and taken to the jail. Instantly Hammer pounced upon him, seized him by the throat and choked him unconscious.

When Gore awoke up he was behind the bars.

MAIL ROBBERY LOOT WILL EXCEED \$20,000

By United Press Leased Wire
Omaha, Neb.—That "lost" obtained in the robbery of a mail car on a transcontinental passenger train Sunday will exceed \$20,000 as first reported, was the belief expressed by officials here today.

One of the missing mail pouches, it was said, contained several hundred thousand dollars in bonds.

Harding Refuses To Talk "Business" On His Vacation

(By Raymond Clapper)
By United Press Leased Wire
Brownsville, Texas.—All the comforts of home were available for President-elect Warren G. Harding again today.

He will spend the last day of his Texas vacation comfortably quartered at the town home of R. B. Creager, Brownsville lawyer, who arranged the Point Isabel adventure which ended with the escape of Senator Harding and his party after being marooned in great personal discomfort for four days in the clutches of a severe storm.

All talk of Point Isabel as the summer capital during Harding's administration has vanished since the advent of the "norther."

A call from Governor Hobby of Texas, was scheduled for today. He came here to pay his respects to the president-elect and while here will review federal troops stationed at Fort Brown.

Harding hopes to squeeze in a game of golf on his last day before leaving to catch the steamer for Panama.

Senator Albert Fall of New Mexico, spent part of the day with Harding, having arrived here in time for dinner with him last night.

Because of Senator Harding's reluctance to consider problems of state while on his vacation, it was doubtful if the Mexican question in which Fall is interested, will be discussed.

It is reported here that Creager, who induced Harding to come to Texas as for his vacation, may be considered for the ambassadorship at Mexico City.

George E. Christian, Jr., Harding's secretary, said today that the president-elect would have no conferences of political significance before he leaves for Panama.

It was reported here that Senators Lodge, New and Hiram Johnson were planning to meet Harding at New Orleans Thursday but members of the Harding staff said they knew of no appointments for these senators.

Some of the party aside from Senator and Mrs. Harding, have moved to the private cars which have been on the siding here.

Harding leaves tomorrow morning for New Orleans. He takes the boat for Panama Thursday.

HOG MARKET FALLS TO NEW LOW LEVEL

Tight Money Is Blamed by Livestock Men for Sharp Price Decline.

By United Press Leased Wire
Kansas City, Mo.—Lowest prices since December, 1916, were paid for livestock here today.

The hog market dropped 25 to 35 cents with a range of \$11.85 to \$12.50.

In the cattle division stockers and feeders sagged \$4.50 to \$10.

Tight money was blamed by livestock authorities here for lack of demand for stockers and feeders, exchange officials estimating buying of feeders, having dropped to forty per cent of normal. Sixty five thousand cattle were in the yards here today.

Livestock exchange men said today that on a basis of prices now being paid for livestock meat at retail should be 20 per cent lower.

SEARCH FOR BODY AT BOTTOM OF WELL

Husband of Missing Woman, Charged With Forgery, Is Held in Prison.

By United Press Leased Wire
Langdon, N. H.—Sifting each shovelful for traces of bones, Deputy Sheriff today were digging out an old filled in well on an abandoned farm here in search of the body of Mrs. Blanche Whitney who disappeared four years ago.

William D. Whitney, husband of the missing woman, was under arrest in the Concord state prison seemingly indifferent to the investigation which might brand him as a murderer in addition to a confessed forger.

His two sons by his first wife, (he has had three wives) were nervously watching for certification of a suspicion aroused four years ago when the water in the well began "to taste and smell funny" after the disappearance of their stepmother.

The father was arrested in Richmond, Maine, where he had been living with his third wife and was convicted of forgery.

It was difficult to find the old well. Weeds, underbrush and wild growths covered the mound of earth that was the top layer of debris, cans, rocks and rubbish dumped in to fill up the well.

According to the story told officials by the boys, one night Whitney and his wife started home from the village in a buggy leaving the lads to walk. The boys, however, arrived home first and they declared that Mrs. Whitney never did arrive.

LEAGUE ORGANIZES AS DEBATING CLUB

Japanese Demand at Least Three Vice Presidents Be Non-European.

By United Press Leased Wire
Geneva.—The league of nations assembly organized for work today with the formation of committees to study agenda brought before it by the members.

The British plan for twelve vice-presidents was adopted, the Japanese delegation insisting that at least three should be non-Europeans. They were assured by President Hymans that the league would see their demands granted.

Lord Robert Cecil, representing South Africa, demanded the assembly put itself on record as favoring open diplomacy. He also asked an immediate examination into Armenian affairs. Publication of the Polish-Lithuanian report also was demanded.

The decision to appoint six committees to study agenda was accompanied by a plan to rank the chairmen as vice-presidents of the assembly.

The assembly ruled that the minutes of these committees shall be published immediately while the commissioners may decide on public or secret sessions.

HOLD SON IN CONNECTION WITH DEATH OF FATHER

By United Press Leased Wire
Phoenix, Ariz.—Authorities today lodged Victor Check in the Maricopa county jail pending the outcome of an inquest into the death of his father, Thomas Check, former resident of Topeka, Kans.

The elder Check, reputed to possess a fortune, died here under mysterious circumstances. His body was covered with bruises and it was believed he may have been beaten to death.

Mrs. Victor Check also was arrested, but obtained freedom on a cash bond.

A charge of assault has been placed against the son. The inquest was to be resumed today.

FOUR CONVICTS FOILED IN JAIL BREAKING PLOT

By United Press Leased Wire
Jefferson City, Mo.—Four convicts who attempted an escape from the state prison here were back under lock and key because of the forethought of authorities.

The four men unlocked every door on the floor of cells—twenty in all—with a key they had made from a brass hair. The other thirty-five convicts refusing to join in the "break," the quartet attacked a guard and took his rifle from him. Advancing to the first floor they shot the guard and dashed for the east end of the prison yard. By climbing into a coal car on a steep incline and releasing it, they hoped the momentum would drive it through the prison gate. But prison authorities had taken the precaution to lock the car to the tracks. One of the convicts was wounded when he refused to surrender.

ALLEGED SLAYER GETS AWAY FROM DETECTIVES

Broken Bow, Neb.—An armed posse today searched the surrounding country here for Dennis Chester, accused of the murder of Florence Barton, Kansas City society girl.

Chester escaped from detectives taking him to Kansas City by jumping through a car window as his train pulled out of the station.

Search was also made for a confederate who fired several shots from the depot to cover Chester's escape. A detective was sitting with Chester when the prisoner jumped through the window.

Before they could take up the chase, the three detectives accompanying Chester, were carried half a mile beyond the scene of the escape.

The detectives fired at Chester from the train one of the bullets knocking his hat off.

GRAIN ALCOHOL CAUSES DEATH OF ACTRESSES

Autopsy Reveals Poison in Stomachs of Women Found Dead in Grant Park.

WORK ON KIDNAPING CLEW

Believe Girls Were Forced to Take Poison and Then Thrown From Auto.

By United Press Leased Wire
Chicago.—Sufficient grain alcohol was found in the stomachs of Mary Rhodes and Lillian Thompson, actresses found dead in Grant Park here, to have caused their deaths, Dr. W. D. McNally, coroner's physician, announced today.

Traces of no other poison have been found, the physician stated, although the autopsy was still incomplete.

Immediately after the physician announced the results of his examination, police renewed their efforts to trace the movements of the two women after they left a cheap theatrical hotel where they were living with two men, until they met their deaths.

Authorities believed the girls may have been kidnapped while returning to their rooms after having a couple of drinks of fermented grape juice at a nearby wine merchant's shop.

Finding of Miss Rhodes' hat in the street near the hotel was the main evidence on which the kidnapping theory was based.

Poison Found on Them
That the women were given alcohol by their captors, probably forced to drink the poison—was the belief of authorities. When they were in a stupor from the effect of the drink, according to this theory, they were taken in an auto to Grant Park where they were thrown from the machine. Both girls, police believed, died without regaining consciousness from the results of the poison and from exposure. They were thinly clad and the cold breeze which swept off Lake Michigan and over Grant Park where the girls were lying, would soon cause death, Dr. McNally said.

Another Man Arrested
Harold Potter, an alleged deserter from the Great Lakes naval training station, was taken into custody today. Potter, police said, was a familiar figure around the cabarets, near where the two actresses lived.

A tip which may lead to the finding of the automobile which is believed to have carried the actresses to Grant Park, was received by police today.

It came from a check girl at a cabaret. She is said to have given the tip because of jealousy. One of the men believed to have accompanied the actresses Saturday night is said to have been a former sweetheart of the check girl.

Coroner Peter Hoffman also contends that there was a third person wounded. He expected to drag the lake as in today. Hoffman's belief that a third person was wounded was founded on the finding of four pools of blood on the ground near the girls' bodies. Neither of the young women, he said, could have lost the amount of blood.

The location of the spot where Miss Rhodes' hat was found favors the kidnapping theory. It is a person place and the girls could have been seized and carried away without attracting attention.

"There weren't any other machines in sight," the finder of the hat declared.

"It looked funny to me. I could just make out the red tail light of an automobile in the distance."

Boy Is Bruised
Further examination of Miss Rhodes' body disclosed, she had been struck in the back of the head and had sustained a bruise in the abdomen. Neither injury, officials said, would have caused death.

Examination of the ground where the bodies were found also disposed of the theory that a third person had taken part in a struggle there. Police said they found no footprints other than those of the two dead women. This they believed, supported their theory that the girls were brought to the spot in an automobile and thrown from the car.

Guests of the hotel Stratford from where a man phoned the "tip" that "a couple of dead women could be found in Grant park on the lake front," were to be questioned, police said.

FOUR INJURED WHEN CAR RUNS AGAINST POLE

Two Appleton young people, Alden Buchert, 19, son of Mr. and Mrs. Gus Buchert, 880 Clark street, and Miss Dolly Boyle, daughter of Mrs. D. J. Boyle, 535 North street, and two New London people, Mr. and Mrs. Norbert Shea, were injured late Monday afternoon when an automobile driven by Mr. Buchert crashed into a telephone pole between Hortonville and New London. Mr. Buchert was injured about the head, a gash was cut under his chin and his teeth were loosened. It was said this morning that he may have suffered a fracture of the skull. He is now at the home of a physician in New London.

Miss Boyle was injured about the neck and suffered severe bruises. She was taken to her home Monday night and this morning it was said she has suffered no serious effects, although she is not able to leave her bed.

Mr. and Mrs. Shea, seated in the back seat, were less seriously injured. Mr. Shea suffered an injury to his leg and Mrs. Shea was hurt about the hips. It was said that Mr. Shea's leg was broken.

Details are meagre
Details of the accident were meagre today. It was said that Mr. Buchert, who was driving from New London, thought he saw a wire stretched across the highway, wheeled sharply, then lost control of his car which crashed into a telephone pole, breaking it off close to the ground. The car was thrown over on its side and demolished, throwing the occupants out. All were rendered unconscious except Mr. Shea, who called to several passing cars but the drivers failed to stop. At last a car driven by a Mr. Radtke of New London heeded the call for help and picked up the injured people, most of whom had regained consciousness by that time. He hurried them to New London where their injuries were treated.

Mr. and Mrs. Gus Buchert drove to New London after they heard of the accident and found the injured people resting comfortably. Miss Boyle was brought back to Appleton and is now at her home. Mr. and Mrs. Shea are at their home in New London. Alden Buchert will not be brought to his home until the extent of his injuries is definitely learned.

None in the party remember how long they lay in the ditch before they secured help. The accident occurred shortly after five o'clock and they reached New London about six.

Mr. and Mrs. Shea were married only a few months ago. Mr. Shea was a former Appleton resident and it is said his wife is a town of Freedom girl.

SUPERIOR BANK IS ROBBED OF \$7,000

Bandits Stage Daring Daylight Robbery in Northern Wisconsin City.

Superior, Wis.—Four bandits today robbed the Superior State bank of \$7,000 cash and escaped in an automobile, waving at an unsuspecting policeman as they left the bank.

Three of the bandits entered the bank while a fourth poured water into the radiator of the car standing at the curb. They forced the cashier, Herrickson, and fired one shot at him when he attempted to close the vault door.

They then forced Herrickson, two girl clerks and a woman customer to lie on the floor while they looted the vault of cash.

Police in autos were scouring the country nearby this afternoon for trace of the car.

Acting Chief of Police Anthony Siskett, of Duluth, and three detectives guarding the interstate bridge to keep the bandits from crossing, narrowly escaped death when a street car bridge grade. The men were hiding behind the car and jumped in time to avoid being crushed.

HIGH GRIDDERS TO PLAY AT GREEN BAY

Local Team Will Meet Championship Claimants Next Saturday Afternoon.

Appleton high school football team will probably face its severest test of the season next Saturday afternoon when it clashes with East Green Bay high school on the latter's gridiron. Negotiations for the game were completed on Monday after efforts to bring the Bay team here resulted in failure. It is said the game is to begin at two o'clock.

Green Bay has been clamoring for a game with Appleton all season but the locals held off until after the annual West-East game on Armistice day. Appleton had defeated the West side team and if that squad succeeded in defeating East there would have been no object in playing the other Bay squad. The East team, however, rolled up a big score and earned the right to meet Vincent's men.

Appleton finished the game with St. John Military academy in good shape. None of the men are suffering from injuries and there is every reason to believe the squad will be in condition to play the best kind of a game.

Hundreds of Appleton fans will accompany the team, insuring plenty of support from the sidelines. This will be one of the biggest games of the high school season and will have a direct bearing on the state championship claims of the two schools.

Meeting Sees New Ideals In Nation's Rural Schools

County Superintendent Expresses Pleasure at Awakening of Interest

In his annual report to the county board which was presented Monday afternoon, A. G. Meating, county superintendent of schools said that "a distinct change is about to take place in the schools of this country, especially in the country schools. The people are awake to the need of better schools. They are beginning to know what better schools should provide in the way of educational training and opportunity, and they are beginning to ask how these better schools may become realities in the various communities. To one who has worked diligently to arouse such sentiment, the signs of the times are very acceptable indeed.

"For years, the schools have been marking time after the pattern set for them by the New England founders of this commonwealth," he said. "In organization, in courses of study, and in ideals, the schools have followed faithfully the models that were furnished in an early day. From the Atlantic to the Pacific, state after state, county after county, and school district after school district slavishly established schools after set plans as though they were afraid to break away from the pattern or as if there were some virtues in perpetuating a system that was good once, paying small heed to the fitness of that system for our changing times.

"A new ideal is coming into being. People are asking if the schools are as efficient as they should be. They are asking that the work of the schools be made more practical. They are trying to find a way to bridge the gap between the school and the home, between the ideal and the practical. As yet, the change is felt only in the emphasis that is being placed upon school subjects, but there is a feeling in the air that shows one who is versed in school affairs that the emphasis is going to give way to a better organization. It is our hope that Outagamie county will be one of the first to realize upon this new kind of school.

"We are pleased that we can commend the loyalty of teachers and school board members in upholding the plans that have seemed wise and forward-looking to this department. We have made many mistakes in our zeal to bring about better conditions but we trust that patrons, school board members, and teachers will excuse the mistakes in the knowledge that they were made to bring about better conditions for the best asset that Outagamie county has, its boys and girls.

"To the members of the county board we express our appreciation for the support and cooperation that have made our work pleasant, and in some measures at least, successful. We pledge you herewith our continued interest in the welfare of children so long as we may direct the schools of this county."

MUSIC SORORITY CELEBRATES WEEK

"Gala Week Observed by Sorority With Parties and Initiation.

XI chapter of Sigma Alpha Iota, national musical sorority of Lawrence Conservatory, is having "Gala week," during which the members are wearing the sorority flower, the red rose.

Activities start Wednesday evening with initiation services in the studio of the dean of the conservatory. Mrs. Roy Marston and Mrs. Henry T. Johnson, both Appleton women, will be initiated as patronesses and Miss Helen Kreiser, Beaver Dam, a piano student from the studio of Gladys Ives Brainard, will be initiated as an active member. The ceremony will be followed by a "cozy" and refreshments.

A formal banquet for actives, alumnae and patronesses will be given Saturday evening in the French room of the Sherman House. Decorations will be in keeping with the season.

Miss Gladys Ives Brainard will entertain actives, alumnae and patronesses at a "Twilight Musical" at her apartments on Superior street, Sunday afternoon. There will be several following the musical. This will be the first of a series of "twilight musicals" to be given by the sorority this season.

A progressive dinner party is being planned by resident active members to be given next week. A number of alumnae members are expected to return for the festivities.

WOMAN'S CLUB CHORUS TO GIVE CONCERT DEC. 16

One of the biggest events of the musical season is scheduled for Dec. 16, when the Appleton Woman's Club Chorus will present a varied and popular concert at Lawrence Memorial chapel. The program has been very carefully selected by Frank Tabor Jr., director for the club, and consists of a group of Christmas carols, a Russian group and a group of modern compositions. Solos, duets and trios will be interspersed between the choruses.

The club is one of the most active musical organizations in the city, and the annual concert is always anticipated with pleasure by the music lovers of the community. The membership numbers about thirty women, who have been enthusiastically rehearsing for several weeks under the direction of Mr. Tabor, organist and theorist of the Lawrence Conservatory of Music.

The sale of the tickets is in the hands of XI chapter of Sigma Alpha Iota sorority.

BREAKS A COLD IN A FEW HOURS

"Pape's Cold Compound" Instantly Relieves Stiffness and Distress

Don't stay stuffed up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all gripe misery.

The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Insist upon Pape's.

PROMINENT MEN ON PROGRAM FOR BOYS

John Showalter, Former Appletonian, Will Preside at Madison Meeting.

John Showalter, graduate of the Appleton high school last June, who is now attending Syracuse University, will return to preside at the annual Wisconsin Older Boys' Conference at Madison Nov. 26, 27, and 28. The program includes several prominent speakers, and an inspiring and instructive conference is insured. About fifteen Appleton boys will attend. They will leave here Friday morning, reaching Madison Friday afternoon. Dr. A. B. Hall, University of Wisconsin, will give the opening address. Addresses of welcome will be given by E. A. Birge, president of the University of Wisconsin; The Rev. H. G. Goodsell,

pastor of the First Methodist church; Frank Weston, captain University of Wisconsin football team; Emerson Eila, president of the city Y. M. C. A.; Calvert Dedrick, chairman of the entertainment committee; and M. E. Rosenberry, justice of the supreme court of Wisconsin. John Showalter, conference president, will give the response.

The Rev. John Timothy Stone, Chicago, will give the principal address Friday evening. Saturday morning, addresses will be given by R. V. Sowers, state student secretary and T. M. Elliott, Amoy, China. Discussion group, dinners will be held Saturday noon. Saturday evening special group supplies are arranged. G. D. Adams, city high school secretary of Chicago, will address the conference.

Howard R. Beaver, Chicago, international Y. M. C. A. secretary, student department, will speak to the

conference Sunday afternoon. The conference headquarters will be at the city Y. M. C. A. building. Conference sessions will be held in the assembly chamber of the state capitol.

The price of Milk and the Producer

There has been so much said about the prices of milk to the consumer, now, if you please, let me say a few words in my humble way as a Producer. Of all the Peavery and Drudgery connected with the production of all foods, (and all foods have their origin from the farm) dairying is the most trying and most expensive of all productions. There is no Sunday nor Holiday, the cows have to be milked two, and three times a day, have to be fed three times a day and should be handled like pets, their food must be of the best, the Appleton Pure Milk Company that buys our milk demands that we must feed a Stock Tonic to keep our cows in a healthy condition, some of us have our cows tuberculin tested, all that costs money, if we were to be paid for our feed at prevailing prices, and the same for our labor that we put in, we would have to get at least \$3.50 to \$4.00 per hundred for our milk instead of about \$3.00 which we are now getting, but, the producer never, or hardly ever gets his labor paid so we are satisfied to only get a small profit about what it actually costs to produce the milk our labor thrown in, but I can't see for the life of me how a producer can afford to produce milk for anything less than he is getting, and if prices will still be hammered lower the only way out of it is to sell the cows or dry them up, curtail the production, increase the demand until prices react to where we can afford to feed and care for our cows as is demanded.

A Producer.

BUCK'S Sanitary Porcelain Enamel Combination Ranges

Very Special at \$149.00

GOOD FOOD—BETTER COOKED!

Deliciously wholesome pastries that stay moist and fresh longer—roasts that come out with all their natural richness and flavor left in—good food better cooked all ways—that is the appetizing promise given you by Buck's Sanitary Porcelain Enamel Combination Ranges.

These famous ranges burn gas, coal or wood—are really three ranges for hardly more than the cost of one. They enable you to use the fuel that is cheapest, handles, are cool in summer, warm in winter; save labor—save from 10% to 40% of fuel—and do away with the blackening nuisance. Can be cleaned with a moist cloth. Furnished in blue or grey porcelain enamel.

A combination range that is simple yet practical and a success with any fuel. Backed by 74 years of stove-making experience and guaranteed by—

Our 20% Discount

On Women's Stylish Plush and Cloth
Coats Drew Enormous Crowds

20% surely is quite a reduction so early in the season, especially on such wonderful coats. And then to have such a great variety from which to choose is another great attraction. But, that isn't all, the women recognized the worth of these coats and that their original prices were unusually low. They all bought, because they knew, better bargains could not be obtained.

For this week another great sale of coats takes place. There are every kind of durable plush and cloth in them, fashionably tailored in fall's latest style developments. Colors of unequalled richness are well represented. Many fur or plush collars and cuffs, while others are becomingly finished with self-materials and buttons.

From This Enormous Stock You Can Be Out-fitted at
Considerably Less Than You Have in Mind to Spend.

Don't Hesitate a Minute—This is The Last Week.

SCOTT'S EMULSION

Scott & Bowne, Bloomfield, N. J. 20-15

TRY TO GOUGE \$6,000 FROM CITY OFFICIALS

Superior—A petition that the court make Mayor Fred A. Ruxter and City Commissioners Fred Tomlinson and A. D. S. Gillett pay into the city treasury from their own pockets approximately \$6,000 alleged to have been spent in unlawful operation of the public market, has been filed by Harvey Dietrich, attorney for the Superior commission houses which have brought action against the city officials to prevent their work at the market.

The petition is in the form of an amendment to the complaint in the original market case under the jurisdiction of Judge G. N. Risjord of Ashland.

The amended complaint charges that the city officials should be held personally responsible for wear and tear on city trucks used to handle market produce, and also for the wages of city employees working at the market during business hours.

Commissioner Norgard, by the officials of the state department of agriculture and by local veterinarians to prevent spread of the disease.

Dr. J. P. West, in charge of the area test for the department of agriculture reports that during October in Barron county six inspectors tested 11,621 head of cattle on 692 farms. There were only forty-one reactors, being .035 of 1 per cent or less than 4-10ths of 1 per cent. This is considered a remarkable showing of freedom from tuberculosis.

Japan is covered with immense orchards of mulberry trees for the raising of cocoons for the silk industry. Leather money is being used in Austria.

RATE BOARD HEARS CLAIMS FOR DEPOT

New London People Confident That They Will Get New Railroad Terminal.

(Special to Post-Crescent)
New London—Indications make it appear that New London is in line for a new depot. The petition for a hearing which was recently signed by nearly every citizen in New London and presented to the railroad commission has been granted. Representatives from this city and officials of the Chicago and Northwestern R. R. company appeared before the commission at Madison Nov. 12. A committee consisting of Mayor E. W. Wendlandt, City Attorney G. H. Putnam, Dr. A. C. Borchardt, city physician, Mrs. F. J. Pfeiffer, president of the Civic League, were in Madison representing the city.

Mr. and Mrs. Samuel Cottrill and family are this week enjoying visits from Mr. and Mrs. James Webster of Salem, Oregon. They had stopped off at Milwaukee to visit Mrs. E. T. Cottrill who accompanied them to New London. They will make an extended visit among relatives and friends before they return to their homes.

Thirty-one of the students of the County Training School here are having practice classes in the Model room where they will receive special training from the faculty for the next five weeks. They are the Misses Mary Crain, Doris Kopitzke, Pearl Nagman, Ann Hogan, Hulda Borg, Bibiana Bessotto, Irene Johnson, Martha Sorenson, Frances Klier, Margaret Moriarty, Emma Gartzke, Maymore Matteson, Dora Lozier, Meta Morey, Viola Bauman and Jennie Burton.

The program given by the Girls' Club at their rooms on Pearl street was an enjoyable event. There were solo, duets and trios. Several songs were rendered by the high school like Club. Readings were also given. The party was attended by over 60 people.

A series of luncheons was given last week by Mesdames J. W. Monsted and E. C. Jost. Two were given at the latter's home. These luncheons were followed by auction bridge in which Mrs. A. Traylor won high honors.

Miss Clara Schwartz who has been on an extended visit in the west has returned and has accepted a position at the office of Dr. P. S. Loss. The position was formerly filled by Miss

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study.

Dr. Edwards' Olive Tablets are a pure vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually. Take one or two nightly and note the pleasing results.

MODERN MACHINES NOT MAKING GOOD BUTTER

Madison—"The butter of today is poorer than the product of thirty years ago," said H. B. Holberg, Coon Valley, president of the Wisconsin Buttermakers' association in his opening address before the Buttermakers' convention in the capitol.

"We have been hampered by modern machinery to a great extent," he said. "Scientists, with their theories, have also retarded the progress of the butter maker."

He declared the competition of the dairymen of Denmark is felt in this state as in all other states, and that the association must insist on a better product if it is to meet the competition. President Holberg pleaded for the use of better milk and cream in the manufacture of butter.

Butter will be king in Madison for the next three days, and with the assemblage of over 400 interested buttermen, many active sessions are expected to be held which will throw out a policy of better butter production for the state. The delegates at the convention are thoroughly aroused over the poor rating that is being given to Wisconsin butter and expect to wind up their session with a definite program of investigation.

Clara Borsche, who is now Mrs. Edward Jagoditch.

Mr. and Mrs. H. M. Freeman, of Chicago, former residents here, spent the last week in the city visiting relatives and friends.

Mr. and Mrs. Otto Lemke have been enjoying a visit from Mr. and Mrs. W. Henschel of Racine the past week. They departed from here for California where they expect to spend the winter.

Edward Hoffman accompanied his mother, Mrs. R. Doran, to Oconto to be present at the wedding of Leonard Hoffman and Miss Mary Jobelius. Mr. and Mrs. John Buttolph of Ogdensburg also were guests at the wedding.

BLACKHANDER MAY BE PACINI SLAYER

Defense in Lang Murder Trial Plays Trump Card in Hearing Monday.

Kenosha—Driving away at the theory that some motive other than robbery caused the murder of Charles Pacini and that for this reason Frank Lang could not have been the murderer, the attorneys for the defense introduced interesting testimony here on Monday on the first day of the second week of the trial.

A real sensation came when Paul Miller, the man who took the keys out of the garage door where Pacini was shot, declared that he had found a stillito in front of the garage. He produced the stillito and showed that it had some cryptic characters on the back of it. He declared that he had never mentioned the finding of the stillito before for reasons of his own.

The defense also introduced Oscar Johnson, the man who followed the "Green Capper" a few minutes after the shooting. Johnson declared he was certain that Lang could not have been the man whom he saw running down Maiden lane shortly after the shooting.

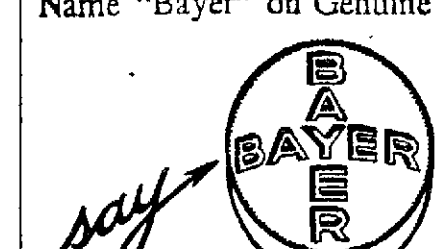

The defense rested its case just before 5 o'clock Monday night, after which the police officers were called for rebuttal testimony by the police. The police testimony is expected to take practically all day on Tuesday. The case may go to the jury Tuesday night.

Trained Nurse Advises People

"I was a great sufferer of stomach and liver trouble and cannot say enough in praise of Mayr's Wonderful Remedy. It has done so much for me and I am recommending it to other sufferers. I was a trained nurse in Marine and other hospital years ago, therefore may come to me for advice. I certainly received great benefit from Mayr's Wonderful Remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. —Druggists Everywhere.

ASPIRIN

Name "Bayer" on Genuine

Take Aspirin only as told in each package of genuine Bayer Tablets of Aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. If you see the Bayer Cross on tablets, you can take them without fear for Colds, Headache, Neuralgia, rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monacetate of Salicylic acid.

BUTTER MEN AGAIN ELECT HOIBERG

State Association Concludes Two Day Session at State Capitol.

Madison—H. B. Holberg, Coon Valley, was on Thursday renamed as president of the Wisconsin Buttermakers' association, which has been holding sessions in the state capitol for the last two days. Albert Erickson, Amery, was chosen vice president, and F. M. Werner, Waterloo, treasurer.

"The greatest foe of the buttermaking business is the shiftless maker who turns out low scoring butter," declared State Dairy and Food Commissioner George J. Weigle in urging an improvement of the butter produced.

"The first duty of the man who manufactures milk into other foods should be to observe care in every step of the manufacturing process," he continued. "The man who deliberately practices fraud in a few months will destroy standards of a community for making good butter which it has taken years to build up."

James Sorenson, state secretary of the Creamery Operators and Managers' association of St. Paul, declared that adequate compensation should be given to buttermakers.

Directors of the Wisconsin association elected were H. B. Holberg, Coon Valley; Albert Erickson, Amery; J. C. Dodge, Windsor; F. M. Werner, Waterloo, and R. C. Cleves, Tola.

FORMER WISCONSIN MAN KILLS HIS SON-IN-LAW

La Crosse—Irvin N. Kelsey, a former resident of La Crosse, was killed by his father-in-law, Pete Weideman, at their home in Twin Falls, Mont. Weideman, also a former La Crosse resident, gave no other reason for the homicide than that his daughter's husband had been "pestering" him for some time and that he had decided to end it all. Weideman walked over to the courthouse and surrendered to the sheriff after shooting Kelsey with a shotgun. Kelsey is survived by his wife and two children.

LITTLE CHUTE GRID TEAM WHIPS GREEN BAY

(Special to Post-Crescent)
Little Chute—John Stark of Racine spent Sunday at the home of his parents, Mr. and Mrs. H. J. Stark, Depot street.

Mr. and Mrs. James Gerrits were week end guests of Mr. and Mrs. Martin Gerrits at Oshkosh.

Members of the Women's Catholic order of Foresters will give a public card party at the Forester hall Wednesday evening. Prizes will be awarded and refreshments will be served.

Miss Mary Van Der Steen of Appleton was a caller here Sunday.

A marriage license has been issued to Miss Lorraine Peeters, daughter of Mrs. Pat Randerson of this place, and Leslie Holzer of Appleton.

Miss Agnes Janson has accepted a position at Gloudermans store. She commenced her duties Monday.

Mr. and Mrs. Theodore Weyenberg and daughter Cynthia of Green Bay were callers at the home of Henry Weyenberg Sunday.

Mr. and Mrs. William Van Der Loop of Freedom were business callers here Saturday.

Earl Seor of De Pere was the guest of Tony Robussen Monday.

Mr. and Mrs. Frank Dittmer and son of Oshkosh, were callers at the home of Mr. and Mrs. Fred Gerrits, Sunday.

Henry even carries matches now

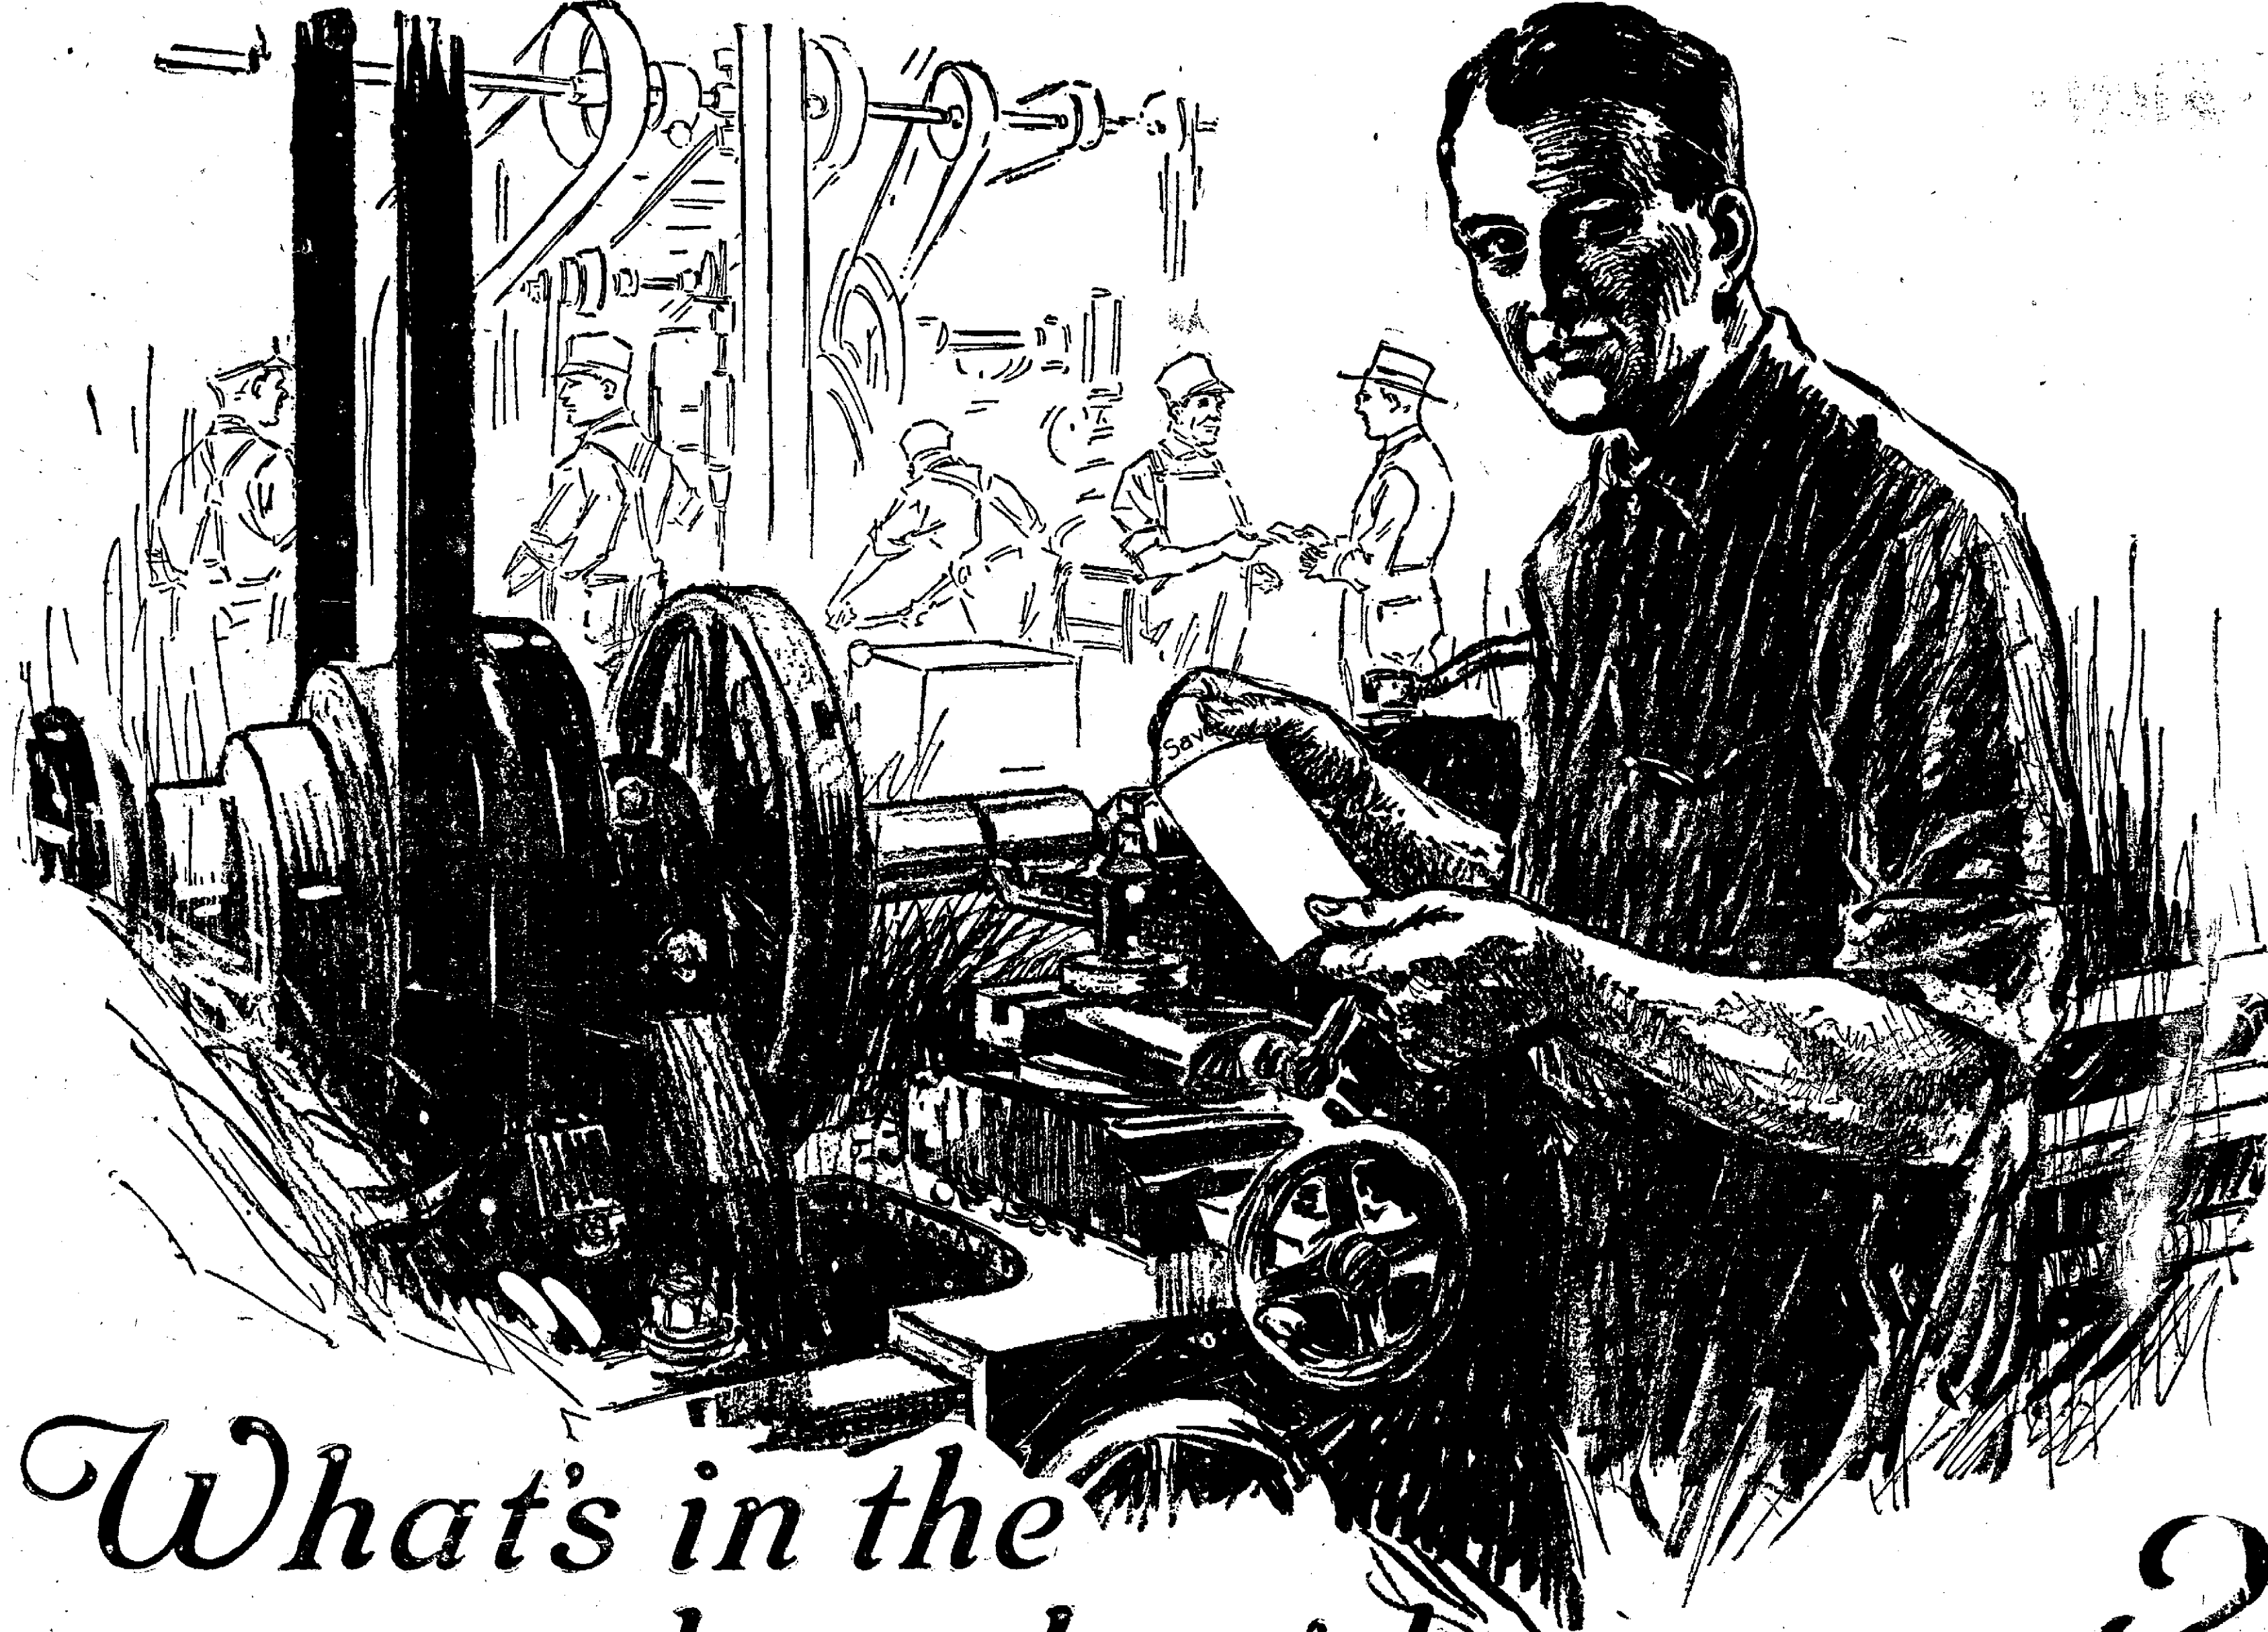

HENRY WAS "near." IN OTHER words, tight. HE CARRIED two packs, OF CIGARETTES. ONE FOR friend Henry, FULL OF "Satisfy's." AND THE other containing JUST ONE cigarette. AND THAT lone cigarette WAS ALWAYS offered TO SMOKELESS friends. WHO WERE all polite. AND REFUSED to take it. AND SOMEHOW Henry WAS NOT popular. TILL ONE day by mistake, HE PULLED the full pack. AND EVERYONE fell on it. WITH LOUD cries of glee. HIS STRONG constitution. CARRIED HENRY through. AND DAY by day, HE GREW more popular. AND HENRY knew why. FOR HE'S nobody's dummy. AND NOWADAYS he not only CARRIES THE cigarettes. THAT SATISFY. BUT FORCES 'em on people. GIVES AWAY packs of 'em. AND, SHUCKS. HENRY COULD run for Mayor. AND GET away with it now.

They Satisfy

Chesterfield CIGARETTES

Legittimely and honestly

GIVE your friends the real thing—introduce them to Chesterfields! Odds are they'll find just what you've found in this wonderful Turkish-Domestic blend—a smoke that by comparison seems way out of its price class—and is "They Satisfy!"

What's in the pay envelope besides money?

There is everything in it that money will buy—a home; home comforts; funds for recreation; clothing; food; education for the children; savings for the times of sickness; an estate against want in old age.

Whether you get much or little of these good things of life, depends upon the amount and the kind of work you do today.

And that is governed by the "tools" you use. Good work and a lot of it can't be done with poor equipment.

Imperial Inner-Locked Ibeco Belts have fattened the pay envelopes of countless workmen—down in the mines; in mills; shops; factories; everywhere that belts are used for transmission of power.

They enlarge incomes by increasing out-put. They enable you to do more, in less time, and do it better.

They speed up machines. They turn out two pieces of work in the time it takes an ordinary belt-driven machine to do one. And you get paid for it.

Their rugged, dependable strength does away with breakage and delays due to belting repairs. There is no lost time. You don't have to wait for a belt to be fixed before you can get back to work.

Imperial Inner-Locked Ibeco Belts do not stretch and sag nor slip as do ordinary belts. There is no lost motion. There is no leakage of power. You are not held back by slow, sluggish mechanical action.

Every pound of pull back of an Imperial Inner-Locked Ibeco Belt is carried straight to the work you are doing. Every move you make counts.

Imperial Ibeco quality, the highest mark of excellence ever attained in belt building, insures uninterrupted performance—a bigger day's work and a better day's pay.

The value of Imperial Inner-Locked Ibeco belts to you and to those you work for can be accurately determined by their proved value to others whose demands are the same as yours.

CITY PLANNING IS SUBJECT OF FORUM

Dr. O. P. Fairfield and J. C. Rosebush to Be Speakers Here Sunday.

For many months Appleton people have heard and read about city planning, city zoning and other schemes for beautifying the city but have never had a real opportunity to hear this thing discussed. It is a question on which men can rightly take sides and there is much to be said about the entire matter.

The Appleton Public Forum, sensing the desire of people to become better acquainted with city planning and city zoning has arranged for a discussion of that subject at the public forum next Sunday evening in Lawrence Memorial chapel. The speakers will be two local men, Prof. O. P. Fairfield of Lawrence college, and Judge J. C. Rosebush, president of the Patten Paper company.

Both men are excellent speakers and they understand the subject thoroughly. This will be the first really "local" meeting of the forum and should attract an unusually large crowd.

The meeting is to begin at 7:30 o'clock. Questions will be permitted after the formal addresses. It is believed that because the men are both well known here the reserve which has bothered over previous meetings will be broken up and real spirited discussions will result from the questions.

The hoof and mouth disease in the Norfolk area of England killed 7,000 animals, it is estimated.

The curfew bell was first rung in Europe as a fire prevention, about the time of William I (1066).

URGES BOARD TO TAKE CHARGE OF RED CROSS WORK

Supervisors Appoint Committee to Investigate Work in County.

HEAR REPORT OF SCHOOLS

County Board Spends Most of Its Time Listening to Statistics.

Mrs. George Woolz, secretary of Outagamie Chapter of Red Cross, appeared before the county board at the opening of its session at the courthouse Monday afternoon and suggested that the members take over the county Red Cross work at this time instead of waiting until next July, the limit of the time provided by law.

The chair appointed a committee consisting of C. B. Little, Mike Mack and Charles Schultz to investigate the matter and report later in the week.

The report of the printing committee was adopted. The total amount expended in printing was \$4,377, \$2,500 of which was included in the cost of the recent election. This amount appeared to be exorbitant to some of the supervisors who were informed by one of the members of the committee that the price was fixed by statute and that they had no alternative.

In order to make sure that there was no overcharge the committee went to the trouble of scrutinizing the bills in detail and found no errors.

Praises Committee

The report of the indigent soldiers' relief commission was read and referred to the committee on finance. An appropriation of \$600 was asked for the coming year. The chair complimented the committee, Capt. Fred Heinemann and Alfred Galpin, on the good work it was doing and the completeness of its report. The report was adopted.

FARMERS, ATTENTION!

Wanted to buy dressed poultry. We can use all you have. Phone 224 or call at Hopfensperber Bros. Markets

of the committee on poor accounts amounting to \$810.97 was adopted.

The report of the county judge on the mothers' pension law was also adopted. The report showed that nearly \$25,000 per year was being expended on pensions at present. This appeared a large sum to some of the members who were assured by the district attorney that the county judge was administering the duties of the office in a very conservative manner and that he turned down fully as many petitions as he granted. In certain instances that came to his attention he remonstrated with him for being so conservative.

The report of the county superintendent of schools was adopted. It showed that the money on hand June 30, 1919, was \$41,321.96 and that the total receipts amounted to \$283,789.51, and the total expenditures \$229,831.79, leaving a balance on hand of \$53,857.72.

116 Schools in Session

It also showed that the total number of rural schools in session was 116. Three schools have an enrollment of from 6 to 10 children; 13 from 11 to 15 children; 14 from 16 to 20 children; 13 from 21 to 25; 16 from 26 to 30; 19 from 31 to 35; 11 from 36 to 40; 12 from 41 to 45; 6 from 46 to 50; 3 from 51 to 55; 4 from 56 to 59; and 3 with 60 children or over.

The number of boys in the county between ages 4-50 is 5,286; number of girls between ages 4-50, 4,973; number of children between ages 4-20, 10,255; number between ages 7-14, 4,097; number between 14-16, 1,063; number of children who have attended public schools, 4,821; number of children living more than two miles from school, 250; number living more than three miles, 1; number of one room schools, 120; number of one room schools in session, 115; number of first-class rural schools, 69; number of high schools with grades below, 5; number of union high schools, 1; number of first class state grade schools, 3; number of second class state grade schools, 3; number of schools transporting children, 1; number of visits by school officers, 249; number of visits by school patrons, 1,501.

Pape's Diapensin tablets cost little at any drug store but there is no surer or quicker stomach antacid known.

WORLD STANDS ON THRESHOLD OF NEW ERA, NAYLOR SAYS

Old World Ideal That "Might Makes Right" Passing Into Oblivion.

AMERICA HAS BIG CHANCE

Political Ambitions Kept U. S. From Retaining World Leadership.

The fundamental old world ideal that "might makes right" is fast passing into oblivion. A new day is here in which a new ideal "right makes might" is taking hold of the nations. It is growing, swelling and dominating society as time goes by.

This was the message presented by Dr. Wilson S. Naylor to the Men's Club of First Congregational church at its opening meeting the season Monday evening at the Y. M. C. A. It was ladies' night and more than 100 people were present at the banquet which preceded the address. Dr. Ozora S. Davis, Chicago, was scheduled to speak on "The Pilgrims," but was unable to come because of illness. Community singing was led by Dr. H. E. Peabody.

Dr. Naylor's subject was "America and the New World." It contained the proof that the new world the people dreamed of when the armistice was signed in November, 1918 was gradually taking form. It could not come in a day, he said, but many signs pointed to the fact that it is actually here. There was not a single democracy in 1776 but today there is not an autocracy on the face of the earth, he remarked.

Ideals Make World

Ideals, not men, make the world, the doctor continued. They made the world that was and they make the world that is. The fundamental old world ideal was that "might makes right." It was not necessary to go to Germany to realize this. It was in the armies, in battles, business and in everything. It was what trampled down Serbia and Belgium. It operated on the idea of special privilege. There was a belief that a ruler had the divine

CARRIER BOYS WANTED

To deliver papers in 3rd Ward. Apply Post-Crescent, Circulation Department.

right to rule wrong and that his followers must do everything he said.

Those were the dominant ideals two years ago. They are not all gone by any means. Political doctrine and statesmanlike ideals never reached such heights as in Wilson's 14 points. He was speaking for us, and despite the present ignominy, he will be forever honored. Popular acclaim seemed to indicate that the world was ready for his 14 points, but the leaders were not ready. They were torn to pieces.

Even the United States, which led in the move for a just peace, did not live up to the mutilated treaty. Dr. Naylor stated. She waited two years for peace while the world was bleeding and starving, simply because of the antagonism of the president and the senate, and the ambitions of the political parties. The leaders dared not step aside. After we have our own way for a while, we are going into the world movement. United States had the exalted privilege of leading others in the world and then falling behind.

New Doctrine Growing

"United States is big enough if it will live to its bigness; strong enough if it will live to its strength; great enough if it will live to its greatness and remove the meat from its eye," the speaker stated. "We expected too much to come immediately in tangible form. We see little of what is actually here. But you can't measure ideals and we therefore do not realize how the new doctrine of right makes might has grown with tremendous strides in the past two years."

Dr. Naylor said that the world is getting to the place where it is practically impossible to bring another world war. There is no longer any such thing as special privilege in business, politics or anything else. The people rule the world. There is no autocracy. Equality and privilege are emphasized as never before. We always had equal rights but equal privilege is fast coming.

The speaker touchingly described the price we paid for the new day. Referring to his sojourn in France, he described the shell town fields where the white crosses stood silently, row on row. One place had 25,000 standing

WOMEN OF COUNTY URGE HOME AGENT

Mrs. Nellie Kedzie Jones, and Delegation of Women Visit Board.

A large group of Outagamie county women appeared before the county board at the Tuesday morning session and presented a petition signed by 250 of their number asking that the board engage a home demonstration agent. The delegation was headed by Mrs. Nellie Kedzie Jones, Madison, state leader of home demonstration agents. Mrs. Jones is the wife of a farmer and resides on a large farm in central Wisconsin. She was called to the University of Wisconsin during the war to assist in training home demonstration agents. She has been retained by the university ever since.

She explained to the county board that a home demonstration agent working with the county nurse would mean the accomplishment of four times as much in the welfare of the

rural homes. Such an agent goes into the farm home and shows the housewife how to do her work better and easier. She gives valuable lessons in feeding children and is usually an expert on dietetic work.

She told the board that 40 per cent of the children in Outagamie county were subnormal or probably undernourished, as shown by the community survey taken last spring. The county nurse was doing her best to

If the party that removed the chinchilla macknaw from the tree at the corner of Atlantic and N. Division Streets, Monday evening, will leave same at Police Station within the next forty-eight hours, there will be no questions asked, otherwise prosecution will follow.

overcome this situation, but a home demonstration agent was usually skilled in matters of this kind and could do much more. She could recommend food and treatment that would bring them up to normal weight. It was usually no fault of the parents that made this condition exist, but merely called for a change in foods, such that the child would gain in weight and health.

The need for prompt consideration

of the matter was urged by Mrs. Jones. She stated that the university would pay half the expense of a home demonstration agent in every county where one was engaged. There was money enough in the treasury to take care of three more counties, and the first three that voted to have a home agent would receive the aid. She urged Outagamie county to be one of these.

The county receives from the state as much as it pays out of its treasury for such an agent. If one was hired at \$2,400 a year, it would cost the county only \$1,200. The board expects to give the matter consideration.

row on row like an army in itself. There were 100,000 of these which was the price America paid. Both sides gave 12,000,000 men to fight out this principle. Another 12,000,000 were maimed for life.

"America must see that she works side by side with these nations to bring about peace. She has got to sacrifice some of her present prejudices and cut herself loose from the lit of the swaddling America and get into the swing of the big world. We are bound to it 100,000 fold more than before these men died. We must stretch ourselves and reach the farthest we can. Let us see if we cannot reach the fullness of stature of manhood of such an age as this."

WHAT CAUSES GAS ON THE STOMACH?

It is caused by fermenting, sour waste matter in the intestines. This old, foul matter should be thoroughly cleaned out with simple buckthorn bark, glycerine, etc., as mixed in Adler-ika. This acts on BOTH upper and lower bowel, removing old accumulated matter you never thought was in your system. Adler-ika regains ANY CASE gas on the stomach, EXCELLENT for sour stomach and chronic constipation. Guards against appendicitis.—F. G. Walker, druggist, adv.

COMB SAGE TEA IN FADED OR GRAY HAIR

If Mixed With Sulphur It Darkens So Naturally Nobody Can Tell

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied, with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through the hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color, and looks glossy, soft and beautiful.

ROAD BOND ISSUE MEETS OBJECTION ON COUNTY BOARD

Supervisors Fail to Reach an Agreement in Road Work Discussion.

WANT WORK CONTINUED

Campaign of Education Before Voting Again on Highway Bonds.

The county board spent over an hour in an informal discussion of the highway problem at the close of its session Monday afternoon. The purpose was to get an expression of members as to the amount of money to be expended in road improvement the coming year.

P. W. Silverwood, chairman of the county, state road and bridge committee, stated that the matter resolved itself into two questions, the first of which was whether members wanted to continue building permanent roads in Outagamie county and the second was as to the manner in which the work was to continue and to what extent.

The members of the committee which Mr. Silverwood represented did not know where they were at and wanted an expression from the board before making their plans for the coming year. While all the members favored a continuance of road work, a bond issue sufficient to cover the expense of completing the road system mapped out by the county was not generally favored at this time.

Cities Oppose Bonds

Supervisors from Appleton and Kaukauna stated that it was their opinion that a bond issue would not meet with the approval of their constituents and that it would be a mistake to thrust one upon them. Supervisors from several towns of the county expressed similar views, while others were in favor of an issue to complete the system planned.

Two members of the board stated that their respective towns favored a bond issue and would vote solidly for it as they did before while another member stated that he was instructed to vote against such an issue. Others admitted they had not consulted their constituents and while they favored good roads they doubted the advisability of fostering a bond issue so close to taxpaying time.

Report Extravagance

Several members reported extravagance and waste of material that came under their observation in the building of improved highways, while another observed that the heavy trucks used in hauling material cut up the highways as fast as they were improved. The necessity of a campaign of education carried to all parts of the county before another bond issue was put up to the people was brought out.

Mr. Silverwood was asked how much money could be raised by the county board for construction work without putting a bond issue up to the people and replied \$125,000 after paying \$140,000 for maintenance. Seventy-five thousand dollars of this amount was available in the county treasury at the present time. The amount of bonds that could be issued on the increased valuation of the county was \$60,000. A direct appropriation of \$150,000 could be levied on the two mill schedule. Mr. Silverwood estimated the running expenses of the office salaries and maintenance work at \$35,000. The highway patrol next year will cost about \$25,000 for county trunk lines outside of machinery.

The highway problem is to be taken up again later in the week.

DEATHS

KELLY FUNERAL
The funeral of the late Mrs. Charles Kelly will take place at nine o'clock Wednesday morning from St. Mary church. Burial will be in St. Mary cemetery.

HYDE CONTEST TO BE HELD FRIDAY

Six High School People Entered in Annual Declamatory Contest.

An exceptionally interesting program has been prepared for the annual declamatory contest for the F. C. Hyde medal which is to be held at the high school Friday evening, Nov. 19. The program is to begin at eight o'clock and an invitation has been extended to every person in Appleton to attend.

The Hyde contest is an annual affair and is for the purpose of stimulating interest in declamations. The program for Friday night follows: "The Song and the Man," Ralph Mullenix.

"Guida," from "The Battle of the Strong," Bette Marshall.

"The Glory Across the Years," Frank Van Wyk.

"For Dear Old Yale," Carl Damsheuer.

"The Laurel Room Scene," from "The Little Minister," Estella Haggen.

"The Old Seigneur's Will," from "The Lane That Had No Turning," Edna Becker.

GUERNSEY BREEDERS TO ATTEND FONDS AUCTION

Quite a number of Outagamie county farmers plan to attend the Guernsey auction at Fond du Lac Thursday, at which two complete herds shipped from Illinois will be dispersed.

Several men prominent in the Outagamie County Guernsey Breeders association have expressed the hope that this county would send a large delegation to the sale. This is said to be an opportunity for many worth while purchases of pure bred Guernseys in view of the low market conditions. Those anxious to get started in the pure bred cattle business or to add to present herds will have an exceptional chance to do so.

The cattle were brought to Wisconsin by the Fond du Lac County Guernsey association in order to further the live stock interests of the county. They are not confining the sale to Fond du Lac county, however, but have invited others to come in and buy if they wish.

BANK BANDITS GET AWAY WITH \$200,000 IN LOOT

By United Press Licensed Wire
Circleville, Ohio.—Four automobile bandits held up the First National bank at Kingston, ten miles south of here, today and escaped with \$4,000 in currency, between \$150,000 and \$200,000 in stocks and bonds and a quantity of liberty bonds, the value of which was uncertain, according to reports received here.

The thieves forced the three clerks to enter an inner office which they locked. They then made a thorough and leisurely search of the bank and gathered up every bit of money and all the securities in the vault and on the counters.

Scores of automobiles, filled with armed citizens and police, are hunting for the bandits.

APPLETON MAN'S SON KILLED IN MICHIGAN

C. T. Brown, 505 John street, received a telegram Monday stating that his son, Claude Brown, Iron River, Mich., had been instantly killed. No details were given, but it is believed that an accident in connection with his duties in the fire and police

departments of Iron River caused his death. Mr. Brown and the decedent's sister, Mrs. W. H. Moody of this city, left for Iron River immediately and will remain until after the burial. The decedent was 28 years old and leaves a wife and a daughter, one year old.

Mr. and Mrs. Edward Preston of Shiocton, will leave on a deer hunting trip to Donald this week.

City Truck Damaged
The city street department truck driven by Patrick McHugh was damaged in a collision Monday at the corner of Pacific and Union streets, with the Simon Cheese company truck driven by Erwin Krablein. A front fender was stripped from the city truck, the radiator bent and other minor damage done. Neither driver was injured.

WOMEN ENJOY LECTURE ON THE NATION'S PARKS

The Woman's Club rooms were nicely filled Sunday afternoon for the lecture given under the auspices of the Bureau of Service for the National Parks and Resorts. Mrs. East gave a charming and entertaining talk, interspersed with bits of poetry describing the pictures. She told of the bill which has passed Congress giving private industries the right to lease water power in public owned land, including the National parks. She explained that the water could be supplied from other sources as well, without destroying the beauty of the parks.

The pictures began with Denver. Scenes from Rocky Mountain National Park, formerly Estes Park, and Mesa Verde, the place of old caves and the former home of the cliff dwellers were shown. Yellowstone Park was also pictured. Following the lecture, the audience broke up informally and had a "sing" around the piano. The program was presented in a pleasing manner by Mrs. East.

S. J. RYAN BUYS HOME IN MONROVIA, CALIF.

Sam J. Ryan, formerly owner of the Appleton Crescent, has purchased a home in Monrovia, Calif., and will live permanently in the west. The property is said to be one of the show places of the city and cost approximately \$15,000. Mr. Ryan is now occupying his new home.

Frederick Vance Evans, formerly dean of Lawrence conservatory of music, has purchased a five acre farm near Monrovia and is planting it to oranges and pears.

SKULL IS FRACTURED IN FALL FROM WAGON

Frank Dietzen, a farmer on the Dar-boy road suffered a fracture of a bone immediately above his eye Monday noon when he fell from a load of straw. Mr. Dietzen and his brother Philip were loading straw into the barn. After it was loaded the men each took a rope to pull it tight. The rope broke and Frank Dietzen who was on top of the load, fell to the cement floor of the barn, striking his head. His condition is reported as much improved today.

W. H. Pardee of Antigo, was here on business Monday.

Good, Old Reliable Peterson's Ointment a Favorite Remedy

"Had 51 ulcers on my legs. Doctors wanted to cut off leg. Peterson's Ointment cured me."—Wm. J. Nichols, 493 Wilder Street, Rochester, N. Y.
Get a large box for only 35 cents at any druggist, says Peterson, of Buffalo, and money back if it isn't the best you ever used. Always keep Peterson's Ointment in the house. Fine for burns, scalds, bruises, sunburn, chafing and the surest remedy for itching eczema and piles the world has ever known.

"Peterson's Ointment is the best for bleeding and itching piles I have ever found."—Major Charles E. Whitney, Vineyard Haven, Mass.

Peterson's Ointment has given great satisfaction for Salt Rheum."—Mrs. J. Weiss, Cuylerville, N. Y.

All druggists sell it, recommend it. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.

RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

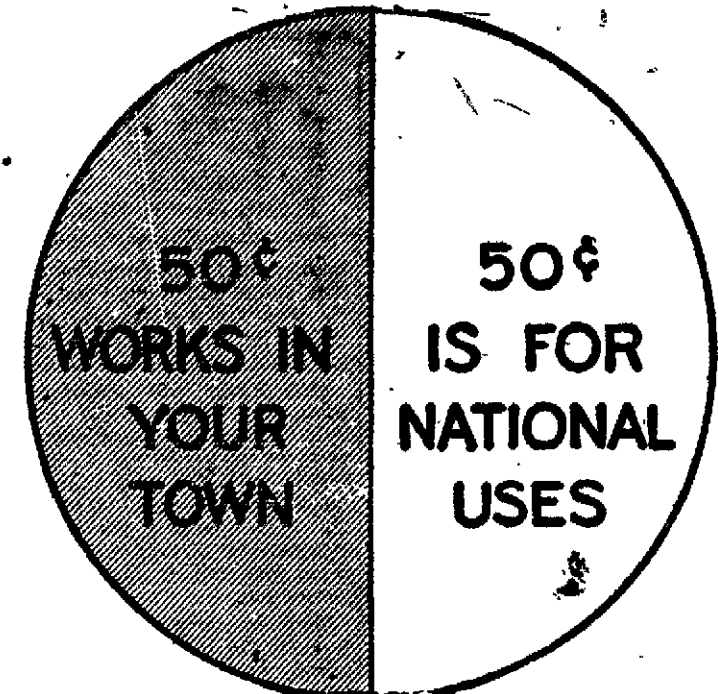

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless. Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed Schlitz, Bros. Company, Voigt's Drug Store, Union Pharmacy to guarantee it in every instance.

Over Half of Your Membership Dollar Works at Home

See how large a percentage of your Red Cross membership dollar stays right here in your own community.

Fifty cents of every dollar received from annual membership dues is retained by your local Red Cross chapter—

- to fight disease and make your own community a healthier, safer place for you and your family
- to teach emergency aid in case of accident
- to save the babies and guard the family health by teaching home hygiene, care of the sick, and home dietetics.
- to give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities
- to aid in the care of crippled children, deserted mothers, financial stress, etc.

What Is Done With the Rest

The balance of all membership dues is forwarded to the Red Cross national headquarters at Washington. National funds are composed principally of voluntary contributions. These include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues—these National funds are used partly for relief work in foreign lands and partly for national relief work in the United States, including

- assistance to soldiers, sailors and marines in camps and hospitals
- assistance to families of service men
- assistance in sudden disasters
- public health and nursing service
- development of Red Cross service program in the United States.

The management cost at National Headquarters and the 14 Divisions is less than 4 per cent of the total expenditures.

When your Red Cross spends, it spends patriotically, conservatively, wisely. In joining the Red Cross you can join without misgiving, armed with the knowledge of just where and how your membership dollar will be spent. Join the Red Cross or renew your membership during the

It's a Beauty
fittingly describes
the attractive appearance of
DUPLEX ALCAZAR

A cheerful, attractive kitchen, one that it is a pleasure to work in—adds wonderfully to the joy of living. No longer do you need to fuss and fume over that old black cook stove.

The Duplex Alcazar is the original Two-ranges-in-one. Burns Gas, Coal or Wood singly or together and can be changed instantly from one to the other fuel without removing or replacing a single part. Fuel bills are kept down by burning just what is needed, no more. Perfect heat control prevents waste. Kitchen is never too hot or too cool. Use Gas, keep cool in Summer, use Coal or Wood, keep warm in Winter. Use Gas or Solid Fuel in Spring or Fall, just as you desire.

With all its convenience and its handsome design, its practicability and durability have been kept foremost. Built in a plant where thoroughness is a watchword, sturdy and dependable for years of lasting service.

Duplex Alcazar Ranges are here because we find them best suited to carry out the quality and value giving ideals of this store.

MARKETS

GRAINS HIGHER ON CHICAGO MARKET

Market Opens Firm and Then Soars When Rumors Flood the Pit.

By United Press Leased Wire
Chicago.—Grains were higher on the Chicago board of trade on light receipts, lack of offerings and rumors that seaboard houses are contemplating heavy purchases.
After opening firm the market soared on local buying, December and March wheat both gaining 3 1/2. Other grains rose in sympathy with wheat. Provisions were higher.
December wheat opened at 185, up 1/2, and later advanced three. March wheat opened up 1 1/2 at 176 1/2, and later was up at 2.
December corn opened at 75 1/2, an advance of 1/2 and later gained 1/4. May corn was up 1/4 at the opening of 79 1/2 and later advanced 1/2.
December oats at the opening of 45 1/2, gained 1/4, and later advanced 1/2. May oats were down 1/4 at the opening of 53 1/2 and later gained 1/2.

INCREASES SALARY OF SCHOOL HEAD

County Board Re-elects Do-hearty as County Physician—Hears Reports.

Mrs. Nellie Kedzie Jones, Madison, addressed the county board at its session at the courthouse Tuesday morning relative to a county home demonstration and the chair appointed a committee consisting of Anthony McClure, John Diderich and Otto Rohm to take up the matter and report at this session.

The salary of the county superintendent of schools was fixed at \$2,500 and that of county physician at \$400. The fixing of the salary of the highway commissioner was put over until Wednesday morning.

The report of the trustees of the county sanitarium was adopted. A resolution in regard to the claim of a man named Timm, who was injured on a highway, was turned over to the county state road and bridge committee. A communication from A. G. Koch, register of deeds, in regard to increasing abstract fees was referred to a committee consisting of John Tracy, Charles Faust and C. B. Ballard, appointed by the chair.

Dr. Frank Doherty was re-elected county physician by a unanimous vote. B. Schouten was elected a member of the committee on common schools for a term of three years. Charles Willis was elected a member of the county training school for three years. Dr. Boyd of Kaukauna was elected a trustee of the county sanitarium for a similar period.

The county board will visit the county insane asylum Wednesday afternoon at the invitation of the superintendent and matron. An adjournment was taken until Wednesday morning at 9:30 o'clock.

A committee consisting of John Diderich, Charles Faust, P. A. Gloude, Mike Mack, George F. Fiedler, Otto Rohm and J. J. Warner was appointed by the chair to attend the hearing on a petition which the Wisconsin Traction Light, Heat and Power company has filed with the Wisconsin railroad commission for an increase of rates on gas, electricity and interurban fares which is to be held at the city hall Tuesday, Nov. 23.

ALL KINDS OF PEOPLE AT HORSE SHOW OPENING
By United Press Leased Wire
New York.—Foreign nobility, American society, Broadway stars and flocks of just plain ordinary lovers of the horse, mingled in Madison Square Garden last night for the first night of the thirty-fifth annual horse show. It was a real first night with the usual display of fashions and style by the usual crowd of "first nighters." The interior of the big garden, decorated to resemble an English village, was packed with a crowd that could have furnished a roll call for most every person worth while in New York.

PEGGY TO MARRY PRINCE? JOYCE WON'T PAY HER BILLS

New York.—With the third millionaire husband of Peggy Hopkins declaring in the newspapers that he'll not pay the bills of "one Peggy Joyce," Mrs. James Stanley Joyce, a Chicago lumberman, gave his wife a house worth \$50,000 and wedding gifts valued at \$50,000, it is said, when they were married last winter. Peggy is a former Folies star.

ACCUSE AMHERST BOY OF BLACKMAIL

Lad Who Wrote Threatening Letters to Merchant Claims It Was "Joke."

Stevens Point.—Carl Thompson, 18, Amherst, charged with attempted blackmail, was bound over to the next term of the circuit court for Portage county, which will convene on Dec. 6, following his preliminary examination before Judge W. F. Ogan in the county court.

Although admitting that he wrote the notes received by H. J. Kovell, in which the latter was threatened with death unless he placed a sum of money under a stone in Amherst, Thompson pleaded not guilty to the formal charge. He contended that the notes were not written with any intention of extorting money from Kovell, but to play a joke on the latter.

Kovell, who is the owner of a harness shop at Amherst, told of receiving the threatening letters. One of the notes openly threatened death unless he complied with the writer's demand for money. A boy about 18 years of age testified that he occupied the attention of Kovell in the early evening of Oct. 22 while Thompson attempted to toss a note, wrapped around a stone, through an open door in Kovell's shop. All of the notes were inscribed with a skull and crossbones and were signed "I. W. W." The notes were presented in evidence. The bond of \$250, previously given for the release of the defendant by his father, K. R. Thompson, was renewed and the youth given his freedom. As a result of disclosure made at the hearing of Thompson it is likely that six other Amherst boys, all under the age of 17 years, will be arrested for complicity in the alleged plot and brought into juvenile court.

BASEBALL PLAYERS WANT MORE MONEY

Magnates Will Have Plenty of Chance to Show Their Warlike Spirit.

(By Henry L. Farrell)
By United Press Leased Wire
New York.—Now that peace smiles sweetly over baseball and there is nothing to fight over, what will the magnates do this winter? Those of a combative turn of mind most likely will have plenty quarreling grounds when they go to talk terms with their players.

Ball players never have admitted that they are getting too much money for their services and since the clean-up made by the moguls last season they'll probably insist louder than ever on a change in their check faces. It is estimated that the sixteen major league clubs made close to \$9,000,000 last season. Close to three million dollars was made by the New York, Chicago and Boston American league clubs. The New York Giants took in close to a million and the Brooklyn Dodgers made about \$800,000. The Cleveland Indians came mighty close to the same mark. No club lost money. Even the Athletics made a little money due to the Yankees, the White Sox and the stronger clubs of the league who drew well in Quakerstown. The Washington Senators for the first time in years made a little money. The players know that and it is dead sure that they'll want a larger cut of the profits.

ABOLISH TAX LAW TO BOOM BUILDING

Chicago Financier Avers Excess Profits Tax Keeps Money Out of Industry.

(By Don E. Chamberlain)
By United Press Leased Wire
Chicago.—Abolishment of the excess profits tax to permit owners of large fortunes to invest in homes was urged before the United States senate committee on reconstruction, investigating the nation-wide housing shortage here today by James B. Forgan, president of Forgan and company, largest financial institution in the west.

Great incomes which in the past have been invested in real estate mortgages, have now concentrated on other non-taxable securities, Forgan said.

The excess profits tax, Forgan said, was justified during the war but should be repealed.

"Now that the war is over, we want to get back to business and reconstruction," he said.

"People with large incomes are not likely to put their money back into new enterprises unless they are assured protection."

Forgan declared the reason banks have not raised the interest paid on savings deposits is because of the excess profits tax.

Though government bonds and other securities offer a higher rate of interest, the maintenance of the 3 per cent interest has not discouraged depositors, he said.

Insurance companies have withdrawn their funds from investment in building loans, C. H. Taylor, mortgage banker, declared.

Taylor, who loans money for several insurance companies, said the funds were withdrawn because of the tax on mortgages and because of the higher rate of interest offered in other securities.

Taylor said he thought taxes on great incomes should be modified.

"There should be a tax on sales," he said. "The people are paying the taxes indirectly anyhow so it won't make any difference to them but will relieve the tight situation and open up the way for building investment."

case was an outgrowth of the government "bootlegging" inquiry.

United States officials refused to divulge any details concerning the alleged offense. They merely charge that he offered \$10,000 to Stroud to "persuade him to violate his oath of office and disregard his duty."

Immediately after his arrest, Rudar was arraigned before court Commissioner Kellogg and released on \$25,000 cash bail. His preliminary trial was set for Nov. 26.

PACKERS NEED TWO MORE WINS TO CINCH TITLE

Green Bay.—If the Green Bay Packers can beat Rehn again on Sunday and then trim the Milwaukee Laphams they will have a clean title to the professional championship of the state. And they may then travel to Canton, O. to meet Jim Thorpe's Bulldog's Thorpe's team was the champion pro team of 1919.

Seven Schools Ask Land
About \$200,000 worth of land is asked for the seven schools at Eau Claire, La Crosse, Milwaukee, Oshkosh, Platteville, River Falls and Whitewater. The secretary said that land was urgently needed for extension. A small farm is asked for Platteville, while adjoining property is wanted about the other schools.

New training school buildings are requested for Oshkosh, River Falls and Stevens Point. They will cost approximately \$350,000 or around \$250,000 for each school. Model rural schools are also included in the program.

A gymnasium at Superior, to cost around \$300,000, is proposed, together with an addition to the one already in use at Whitewater which needs an addition to cost about \$100,000, the secretary said.

One dormitory has been requested for the biennium to be built at a cost of \$250,000. It has not been decided at what school this building would be placed.

Owing to inspection by the state engineer and to the need for keeping buildings in proper repair the normal board has requested \$129,000 for maintenance.

Ask Higher Salaries
Salary schedules are materially increased by the present budget. The base amounts to \$235,000 for the 350 teachers in the nine normal schools at this time. In April, 1920, the board adopted a salary schedule for teachers and librarians. The estimates for the coming biennium are based on this schedule which provides for the increase mentioned. Increased salaries of librarians, janitors and engineers are also proposed.

MILWAUKEE CAFE OWNER CHARGED WITH BRIBERY

By United Press Leased Wire
Milwaukee.—Joseph A. Budar, prominent cafe owner, was arrested today by federal agents, on charge of offering a \$10,000 bribe to Henry Stroud, senator of the department of justice here.

Although the warrant for Budar's arrest did not indicate why Budar was alleged to have tendered the bribe offer, it was presumed here that the

Used Car Market Not As Good As Last Year, Dealers Aver

The market of used motor cars has fallen off only slightly in the past year, according to Appletton auto dealers.
"It is the belief of the people that cars will drop in price before long," said Gordon Radke, sales agent for the Central Motor Car company.
"But the price will not drop until other things begin to come down."
Mr. Radke said that recently one auto company had adopted a policy whereby the buyer would be protected in case of a drop in the price of the car. It is impossible to know whether prices will go down soon or not, so the company has made a positive guarantee that the present price on its cars would remain where it is, until May 1.
Mr. Radke said that the price of used cars would not come down until new prices drop. As soon as the standard price of a new car decreases, a corresponding decrease will be made in the price of used cars.
Second hand cars are handled by the company only on trades for new cars. They are repainted and overhauled and then are sold at a much lower figure than a new car would cost.
"The man who does not care to spend a lot of money for a new car, is the one who buys a second hand car. Many times he can get a car that gives as much satisfaction as a new one will."
Walter Plamann of August Brandt Company says that more new cars are being bought than ever before. People do not care to bother with a used car. The drop in the price of some cars has made it possible for people to consider buying new machines. It has also led the people to believe that cars will drop much more. So they are waiting until such a time arrives.

91,000 JAPS LIVE IN THREE WESTERN STATES

By United Press Leased Wire
Washington.—The total Japanese population of California, Oregon and Washington is 91,332, the census bureau announced today.
Washington's Japanese population is 17,115 or 1.3 per cent of the total population.
In 1910 there were 12,129 Japanese in Washington representing 1.1 per cent of the total population. The number in Washington today represents an increase of 32.4 per cent from 1910 to 1920 as compared with 130.2 per cent in the previous decade.

Do it Now

With the aid of this Spread of Gift Suggestions your Gift Giving List can be taken care of Wednesday at Geenen's. On Thursday, all the wrapping can be finished, and won't it be a "grand and glorious feeling" to know that all your folks and friends have been remembered, and it's all over with—and to think you can enjoy the few weeks before Christmas and not be worrying and rushing at the last minute.

The Most Popular Novelty in Jewelry is PEARL NECKLACES

You will find our stock the most complete in variety and price range.

"CORO" PEARLS—Imported from France. Guaranteed to be indestructible will not peel or discolor. These pearls are all fastened with solid white gold clasps, and are put in beautiful velvet lined boxes. Lengths vary from 14 to 27 inches. Priced at from—\$14.00 up to \$49.50.

ORIENTAL PEARLS—With solid gold clasps, in graduated and even sizes. All are imported French stock. Lengths vary from 18 to 27 inches. Priced at—\$5.00 up to \$12.00.

JAP and FRENCH Imported Beads—wax filled in even and graduated sizes, dependable clasps. Lengths vary from 14 to 54 inches. Priced at—25c up to \$3.00.

HOLIDAY SPECIAL—large size 54 inch Pearl Beads in even sizes, wax filled. Special price **\$1.39**

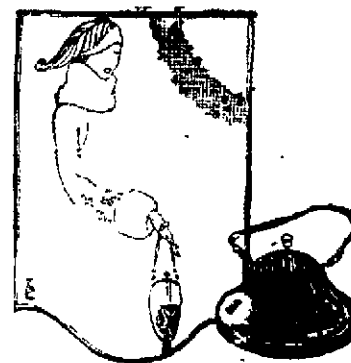

Genuine Italian Jet Beads in graduate style, perfectly cut and polished. Jet is very popular. Lengths run from 16 to 30 inches. Priced at—\$5.00 up to \$11.50.

Jet Beads in the popular 54 inch length—in novelty, graduated and even sizes. Priced at—\$1.25 up to \$3.00.

Fancy Jet Beads with pendants and tassels in favorite lengths. Priced at—\$1.69 up to \$2.75.

Colored Novelty Beads in Cherry Red—you will see many fancy styles in lengths varying from 16 to 30 inches. Some designs are a combination of jet and cherry red, which is very effective if worn with serge dresses. Priced at—50c up to \$12.00.

Coral Beads in fine variety of cut and plain effects. Priced at—89c up to \$12.00.

Pin Seal Purses in top strap and back strap styles. If you want a purse that will wear well and retain its finish and color—then we recommend PIN SEAL—the best wearing and the finest looking leather purse on the market. You will find prices range—\$3.50 up to \$15.00.

Conference Teams Fail To Cross Lawrence Goal Line

McChesney's Men, Off to Poor Start, Make Splendid Season's Record.

Lawrence college football team finished the 1920 season with not only the championship tucked under its belt but with the distinction that its goal line was not crossed by a conference team. Starting off with a new coach and prospects none to promising, the team has developed into one of the strongest and cleverest in the middle west.

Coach McChesney, virtually on trial here, has made good with a vengeance. It is true he had splendid material, so far as the physical makeup was concerned to work with, but a majority of the men knew absolutely nothing about the game. When Lawrence went to Madison, the university men were astounded by the size of their opponents and looked for a tough game but after the first few minutes they learned that Lawrence was ignorant of even the fundamentals of the game. Coach McChesney saw that also and from that day forth he spent his time teaching his men football.

Lawrence put in very little time in scrimmaging. Several hours were devoted daily to learning the game and if there was time left then a little scrimmage was permitted. That plan resulted in developing a real team

and the men were kept in excellent condition. Despite the tough schedule, very few men were injured and substitutions because of injuries were in frequent.

Learned Many Things
The same here last Saturday showed that Lawrence has learned many things since last September. The men played with all the skill of four year veterans, carrying the ball well, hitting the line hard and tackling accurately.

McChesney will lose only a few men next year, giving promise that Lawrence will again be in the championship swim. Interest in football is increasing and if more games can be scheduled here, the sport should pay for itself.

It has been suggested that games be booked with Lake Forest, Carlton and Knox colleges for next year. The Milwaukee School of Engineering and Stevens Point normal could be eliminated from the schedule to make room for two of the proposed games and the season might be extended one week to provide for the third. Those colleges are in the same class with Lawrence and play good football.

The showing of Carroll college was the biggest disappointment of the season. The team did not win a game and was held to a tie by Northwestern of Watertown, an easy victim of the Lawrentians. Northwestern held

BUSHEY CAGE TEAM TO PLAY RIPON HERE FRIDAY

The Bushey Business college basketball team will meet the Ripon Athletic club team at the Y. M. C. A. Friday evening. The latter five is composed of former Ripon college and Ripon high school men and lost only one game last year. The local cagers are working hard to get in shape for a real encounter, and expect to give the Riponites a lively contest.

Its opponents to lower scores than Carroll did and is therefore claiming fourth place in "Little Five" standings.

Play off Tie
Ripon and Beloit have each lost a game this year and are tied for second place. They meet in Ripon next Saturday to fight for second honors and a real battle is expected. It is said that Beloit has shown considerable improvement and will be able to give the Red team an interesting battle.

Standings of the little five teams are as follows:

	Won	Lost	Tied	Pct.
Lawrence	4	0	0	1.000
Ripon	2	1	0	.666
Beloit	2	1	0	.666
Northwestern	0	2	1	.000
Carroll	0	2	1	.000

ARCADE BOWLERS WALLOP ST. ALOYSIUS SQUAD

The championship aspirations of the St. Aloysius Young Men's Society bowling team received a severe shock Sunday afternoon when the squad was defeated by the Arcade bowlers, 252 to 207. The Arcade team took two out of the three games.

BACON GETTERS GET THE BACON AT LITTLE CHUTE

The Bacon Getters bowling team, made up of men who bowl on the Arcade alleys, lived up to their reputations Monday night when they defeated the Little Chute Stars at Little Chute in three straight games. Duval and Malonf of the local team rolled high scores, 219 and 223 respectively.

The teams scored as follows:

Bacon Getters			
E. Koerner	177	195	177
A. T. Jens	171	138	185
Duval	219	176	169

USE SLOAN'S TO WARD OFF PAIN

You can just tell by its healthy, stimulating odor, that it is going to do you good

"If I only had some Sloan's Liniment!" How often you've said that! And then when the rheumatic twinge subsided—after hours of suffering—you forgot it!

Don't do it again—get a bottle today and keep it handy for possible use tonight! A sudden attack may come on—sciatica, lumbago, sore muscles, backache, stiff joints, neuralgia, the pains and aches resulting from exposure. You'll soon find warmth and relief in Sloan's, the liniment that penetrates without rubbing. Clean, economical. Three sizes—35c, 70c, \$1.40

Sloan's Liniment (Pain's enemy)

FINE FOR RHEUMATISM

Musterole Loosens Up Those Stiff Joints—Drives Out Pain

You'll know why thousands use Musterole once you experience the glad relief it gives.

Get a jar at once from the nearest drug store. It is a clean, white ointment, made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

Musterole is recommended by many doctors and nurses. Millions of jars are used annually for bronchitis, croup, stiff neck, asthma, neuralgia, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

MUSTEROLE
WILL NOT BLISTER

Aches and Pains! Instant Relief

Don't fool with slow-acting remedies when Begy's Mustarine does the work in half the time.

When your throat is sore or the agonizing pains of rheumatism rack your body or old lumbago compels you to lie very still, then you want something that will put you on your feet again and the quicker it does it the more joyful you'll be.

It's Begy's Mustarine you want because it is known as the quickest pain-killer on earth. It ends aches and pains and reduces swollen joints and muscles in half the time it takes most remedies.

Rub on Begy's Mustarine, the best and speediest of them all for chest colds, pleurisy, bronchitis, neuralgia, neuritis, gout, stiff neck and sore feet. It's the original mustard plaster improvement and cannot blister. Use it at the first sign of influenza. Sold only in a yellow box—30 and 60 cents. Schlitz Brothers Co., can supply you.

LEGAL NOTICES

STATE OF WISCONSIN—COUNTY
Court, for Outagamie County.—In
Probate.
Notice is hereby given that at a
regular term of the County Court to be
held in and for said County, at the
Court House, in the City of Appleton,
in said County, on the first Tuesday,
being the second day of December,
A. D. 1920, at 10 o'clock a. m., the fol-
lowing matter will be heard and con-
sidered:
The application of Eli Roblee and
Ira Roblee, executors of the estate of
Almira McFall, late of said County, de-
ceased, for the examination and allow-
ance of their final account, the exami-
nation and determination of the inheri-
tance tax due from said estate and the
assignment of the residue of the estate
of said deceased to such person or per-
sons as may be lawfully entitled to same.
Dated Appleton, Wis., November 16,
1920.
By order of the Court,
JOHN BOTTENSEK,
County Judge.

HENRY KREISS,
Attorney for Estate.

NOTICE TO PROVE WILL, AND
NOTICE TO CREDITORS.
STATE OF WISCONSIN, COUNTY
Court, Outagamie County.—In Pro-
bate.
In re estate of William L. Maynard,
deceased.
Notice is hereby given, that at the
regular term of said Court, to be held,
on the first Tuesday of December, A.
D. 1920, at the Court House, in the
City of Appleton, County of Outa-
gamie, and State of Wisconsin, there
will be heard and considered, the ap-
plication of Elizabeth Stockwell to ad-
mit to probate the last will and testa-
ment of William L. Maynard, late of
the City of Appleton, in said County,
deceased, and for the appointment of
an executor (or, administrator with
will annexed);
Notice is hereby further given, that
at the special term of said Court, to be

LEGAL NOTICES

held at said Court House, on the third
Tuesday of March, A. D. 1921, there
will be heard, considered and adjusted,
all claims against said William L. May-
nard, deceased;
And notice is hereby further given,
that such claims for examination and
allowance must be presented said
Wm. Court at the Court House, in the
City of Appleton, in said County and
State, on or before the 15th day of
March, A. D. 1921, or be barred.
Dated November 8, 1920.
By the Court,
ALBERT M. SPENCER,
Municipal Judge,
Acting County Judge.

J. P. FRANK,
Attorney.

The store for the farmer

The store for the working man

First Anniversary Sale

The George Walsh Company, commonly known as Appleton's Popular Priced Clothing, Shoe and Furnishing Goods Store, opened its doors to the buying public just one year ago and during that time we have enjoyed a good and steady business. We are led to believe that our success is due to two things, namely: carrying only the very best lines of merchandise and selling it for a little less. Not being burdened with heavy expenses, we have, and always will, save you some money on any purchase made at this store.

We are going to share some of our profits made during the past year with our old customers and the new ones we will make, and therefore is the reason for our Anniversary Sale. This big event will afford an opportunity to give you wearing apparel right in the heart of the season when you need heavy merchandise at lowest possible prices, every day during this **BIG TEN DAY EVENT**. Not to attend this sale will mean dollars lost to you. No matter how far you come to attend, you will be well repaid in money saved. The prices on all our merchandise will be so low, you may be led to think that we are offering inferior goods but, as has always been our motto, we will stand back of everything we sell and will cheerfully refund the purchase price on any unsatisfactory sales.

10 Days of Wonderful Bargains, Starting Thursday, November 18 and Ending Wednesday, December 1
